This explains the procedure for applying for an abatement of your property tax.

Application forms are available at the Assessor’s Office AFTER the actual tax bill for January 2016 (3rd quarter of FY16) is mailed. The office cannot accept completed applications until after the tax bills have been mailed.

**FILING DEADLINE - February 3, 2020**

**Office hours:** Mondays 8:00 -7:00,  
Tuesdays thru Thursdays 8:00-4:00, Fridays 8:00-1:00

If you think that the VALUATION indicated on your tax bill is wrong, then obtain an Application for Abatement form and read everything including what is on the back of the form.

On your tax bill, one of the most important things to take note of is the **ASSESSMENT DATE**. The value shown on your bill is as of **January 1, 2019, NOT** the day you received the bill.

Now, considering the Assessment Date, rethink whether or not you agree that the valuation is a reasonable indication of what your property might have sold for **ON January 1, 2019**.

If you still think the valuation is wrong, fill out the front of the application and file it before the deadline. **FOR FISCAL YEAR 2020, THE FILING DEADLINE IS February 3, 2020.** The law does not allow the Board of Assessors to grant abatements unless you file on time.

*Now that that’s settled, what’s next?*

As a matter of course, when you get the Application for Abatement form from our office, you will also receive a Worksheet, Chapter 59, Section 61A. This form will help you justify the reasoning behind your application.

The Board of Assessors has the authority under Mass General Law Chapter 59, Section 61A, to require that this form be filled out and returned within 30 days or they may deny the application for abatement. *Failure to answer this informational request may prevent an abatement as well as a further appeal of your assessment to the Appellate Tax Board.*

An Application for Abatement for **OVER-VALUATION** should be based on:

Sales of properties with very similar characteristics such as location, lot size, structure size, type, age, and condition, that have occurred reasonably close to the assessment date, and that indicate your property is incorrectly valued.
Now it is time to do some homework!

All sales data and valuations of all property in town can be found in the Assessor’s office. In addition, the Property Record cards, which show what we have on file for all the characteristics of your parcel, and all other properties, are in the Assessor’s office.

You should ask for a “printout” of your Property Record card, so that you can check for errors in the listing of characteristics. (In the processing of your application, one of the very first things that we will do is to inspect the property in order to check the quality of our data.)

After you have filled out the top portion telling us your name and which property is involved, you should enter YOUR OPINION of the value, IN DOLLARS, in the space provided.

You will encounter a place on the Worksheet to tell us which sales or other assessed values you feel will substantiate your opinion of the value. You should offer at least three (3) properties other than your own with Calendar year 2018 sales or assessed values to make your case.

PROPERTY DESCRIPTION – If you find that any of the property characteristics are incorrect on your Property Record card, then this area can be used to help us correct our data. Please be complete.

If your property is a CONDO, the amenities available to you should be identified so that we can be sure only those amenities are being valued.

One of the methods of valuation utilizes the income stream of a property as a tool to calculate a market value. If you rent out any portion of your property, please complete the appropriate section.

The Board of Assessors has three (3) months, from the date you file your Application for Abatement form, to take action. If the board does not take action within this time, your application is “Deemed Denied”. You will receive notification of disposition from our office regardless of whether that disposition was for or against your abatement.

If you are dissatisfied with the board’s decision, or your application is deemed denied, you have the right to file an appeal with the:

Appellate Tax Board
100 Cambridge Street
Boston, MA
Telephone (617) 727-3100

This right of appeal lasts for 3 months from the date of decision from the Board of Assessors, or from the date your application was deemed denied.

TAXPAYER INFORMATION ABOUT ABATEMENT PROCEDURE

REASONS FOR AN ABATEMENT. An abatement is a reduction in the tax assessed on your property for the fiscal year. To dispute your valuation or assessment or to correct any other billing problem or error that caused your tax bill to be higher than it should be, you must apply for an abatement.

You may apply for an abatement if your property is: 1) overvalued (assessed value is more than fair cash value on January 1 for any reason, including clerical and data processing errors or assessment of property that is non-existent or not taxable to you), 2) disproportionately assessed in comparison with other properties, 3) classified incorrectly as residential, open space, commercial or industrial real property, or 4) partially or fully exempt.

WHO MAY FILE AN APPLICATION. You may file an application if you are:

• the assessed or subsequent (acquiring title after January 1) owner of the property,
• the owner’s administrator or executor,
• a tenant paying rent who is obligated to pay more than one-half of the tax,
• a person owning or having an interest or possession of the property, or
• a mortgagee if the assessed owner has not applied.

In some cases, you must pay all or a portion of the tax before you can file.

WHEN AND WHERE APPLICATION MUST BE FILED. Your application must be filed with the board of assessors on or before the date the first installment payment of the actual tax bill mailed for the fiscal year is due, unless you are a mortgagee. If so, your application must be filed between September 20 and October 1. Actual tax bills are those issued after the tax rate is set. Applications filed for omitted, revised or reassessed taxes must be filed within 3 months of the date the bill for those taxes was mailed. THESE DEADLINES CANNOT BE EXTENDED OR WAIVED BY THE ASSESSORS FOR ANY REASON. IF YOUR APPLICATION IS NOT TIMELY FILED, YOU LOSE ALL RIGHTS TO AN ABATEMENT AND THE ASSESSORS CANNOT BY LAW GRANT YOU ONE. TO BE TIMELY FILED, YOUR APPLICATION MUST BE (1) RECEIVED BY THE ASSESSORS ON OR BEFORE THE FILING DEADLINE OR (2) MAILED BY UNITED STATES MAIL, FIRST CLASS POSTAGE PREPAID, TO THE PROPER ADDRESS OF THE ASSESSORS ON OR BEFORE THE FILING DEADLINE AS SHOWN BY A POSTMARK MADE BY THE UNITED STATES POSTAL SERVICE.

PAYMENT OF TAX. Filing an application does not stay the collection of your taxes. In some cases, you must pay the tax when due to appeal the assessors’ disposition of your application. Failure to pay the tax assessed when due may also subject you to interest charges and collection action. To avoid any loss of rights or additional charges, you should pay the tax as assessed. If an abatement is granted and you have already paid the entire year’s tax as abated, you will receive a refund of any overpayment.

ASSESSORS DISPOSITION. Upon applying for an abatement, you may be asked to provide the assessors with written information about the property and permit them to inspect it. Failure to provide the information or permit an inspection within 30 days of the request may result in the loss of your appeal rights.

The assessors have 3 months from the date your application is filed to act on it unless you agree in writing before that period expires to extend it for a specific time. If the assessors do not act on your application within the original or extended period, it is deemed denied. You will be notified in writing whether an abatement has been granted or denied.

APPEAL. You may appeal the disposition of your application to the Appellate Tax Board, or if applicable, the County Commissioners. The appeal must be filed within 3 months of the date the assessors acted on your application, or the date your application was deemed denied, whichever is applicable. The disposition notice will provide you with further information about the appeal procedure and deadline.
