The chair call the meeting to order at 7:03 P.M.  
All members present.

Mr. Black made a motion to have Evans present to the board all her materials from her home computer to be changed in the Vision System for FY 17 revaluation, seconded by Boles, two in favor, one against.

A discussion took place on the sales and grades changes to some of the sale properties that had done major changes to the house. Evans stated she did not want to explain to any taxpayers why a change was made to the structure. She will email the office all the question on changes and wants any property that has a change be put back to the original grade regardless of changes by building permits or changes prior to the sale of property.

Evans has several reports she will be sending to the office for question she would like to have answers for.

Mr. Black made a motion to adjourn at 8:00 P.M. seconded by Boles, all in favor.

The date for the next meeting is November 7 , 2016.

**Respectfully submitted:**

**Rena Swezey**
