Meeting Called to Order:

Chairman Weber called the meeting to order at 7:03 pm in the Town Hall.

945 Townsend Road

Mr. Grossman provided the Board with an update on this property, adding that he had not been contacted by the homeowner to arrange a time to conduct water sampling. Also, no one had contacted him regarding the trash. Mr. Grossman said he would check back in October.

Raw Milk

Regarding the upcoming variance request, the Board asked if research could be done on how other towns have handled similar requests.

Maplewood Avenue – Kevin Hibbert

Mr. Hibbert was before the board seeking guidance on his septic system upgrade. He said the installer made a “field change” and now the system was in (the ground) but could not be signed off on.

Mr. Grossman said the groundwater offset was now 4.5 feet instead of the 5 feet as approved, and that there were now 2 options:

- Attempt another test hole (to provide more favorable data, risky)
- Go with a pump system rather than a pressure dosed system

43 Boston Road

Member Horowitz made a motion to accept the signed agreement between the Board of Health and Vincent Atwood, owner of the above mentioned address for a waiver to a sewer tie-in. Member Fleischer seconded the motion and the vote was unanimous.

Member Fleischer made a motion to adjourn the meeting at 7:54PM. Member Horowitz seconded the motion and the vote was unanimous.

Respectfully submitted
