Mr. Grossman recommended to the Board that Mr. Beaver be served a one-year suspension from being able to install septic systems in the Town of Groton. Member Horowitz supported the suspension decision and stated that if he would like to install systems in Town, Mr. Beaver would need to come before the Board to ask for permission to do so.

Johnsons Dairy Bar inspection report

Mr. Grossman stated the last couple of inspection reports have contained critical violations that need to be addressed. He said he feels the establishment may lack management or follow through on day-to-day operations, possibly due to the young staff. He suggested a meeting with the owner.
