**160 Wyman Rd- Snyder Pools, Variance for Regulation 319-1 Enclosure Required for Swimming Pools, continued hearing-** The board reviewed this continued variance hearing documentation and opened discussion. Evan Thackaberry asked about weight bearing capability of the cover, to which Ed Snyder informed the board is up to 600lbs. Bob Fleischer asked Ed Snyder if there are any regulations around the cover and time in which the pool is unattended, which there aren't. Michelle Collette stated that Bob Garside, Building Commissioner, is very supportive of the automatic pool safety cover option. Ed Snyder offered the Board of Health a tour of the installed cover upon completion. Unanimous roll call vote to grant the variance.
