1. A separate permit must be filed for each dwelling unit or tenant space. In the case of a condominium development or multi-family dwelling, each unit shall be considered a dwelling unit.
2. Individuals that perform electrical work in the Commonwealth of Massachusetts must be licensed. The permit application must be completed by the electrician or a representative of the company.
3. New services, changes to existing service equipment, car chargers, powerpacks, and solar systems require a utility authorization number issued by the Groton Electric Light Department (978-448-1150) prior to application of this permit.
4. Any work performed more than 5 days prior to the application of the permit will result in a double permit fee.
5. All underground work must be inspected prior to back-fill.
6. The building must be tight to the weather prior to the installation of any electric wiring.
7. The rough inspection required all wires to be run, all device boxes and lighting outlets (except old work) to be installed and all grounds and splices to be made-up prior to concealment by insulation, wallboard, sheathing, etc.
8. Electrical permits are NOT transferable.
9. The permit fee will be based on the proposed valuation of work and shall include all material and labor
10. Fees will not be waived for any non-governmental agency.
11. Fees are non-refundable.
12. Fees are not subject to negotiation

PLEASE NOTE: ALL PERMITS issued within the Land Use Departments, will be charged a 6% administrative fee.
