Steve gave a year end summary of the Trust Funds' performance.

Steve feels that the mix is ok right now, but he is keeping an eye on it and will make a change if he feels that would be more beneficial.

Library Trustees feel that they will be ok with the \$60k from Robbins Library for the FY16 year.

They are moving ahead with their re-design of the Library and will be coming to the Trust later to discuss financial needs for that project.
