9 Proposal Basic Description

The overall project objective is to establish a recreational rail trail in West Groton. The section we are considering is from Cutler Field up to the bridge over the Squannacook River into Ayer. This will be accomplished in phases. The first phase would include the trail from the bridge back to the center of West Groton by Rivercourt.

The initial requirements for funds would involve legal fees and potentially an initial environmental study.

Initial Estimated CPA Cost \$25,000
