The meeting was called to order by Vice Chairperson, Daniel Emerson at 7:03 PM. The Committee welcomed Anna Eliot from the Parks Commission replacing Timothy Siok and thanked Carolyn Perkins, former CPC Chairperson for all of her work with the Committee.

FY2020 PROJECT KICK OFF MEETING

Packets containing information on the Public Procurement Guidelines from the Town Accountant were provided to Project Managers at the meeting.

Awarded funds for FY2020 CPA Projects may not be used until July 1st, 2019.

The Project Liaisons were assigned as follows:

2020-02 Historic Volumes Storage Cabinet – Robert DeGroot
2020-03 Conservation Fund FY20 – Bruce Easom
2020-10 Fitch’s Bridge Wall Repair – Richard Hewitt
2020-12 Housing Coordinator FY20 – Daniel Emerson

Applicants will provide any project updates to their assigned liaisons.

Tom Delaney asked about whether certain equipment may be purchased instead of rented if the cost to do so is lower. Bruce Easom believes this is okay to do but will check with the Coalition. Brooks Lyman advised that Mr. Delaney check with the Town Manager also. Brief discussion ensued regarding current vendors used for projects involving Town Property.
2019-03 PRESCOTT SCHOOL SPRINKLER SYSTEM PROJECT

Mark Haddad signed the letter requesting to approve the change in Project Manager from him to Bruce Easom. Mr. Easom met with both Mr. Haddad and the Fire Chief to discuss the Prescott School Sprinkler System. They agreed that the project should be divided into two parts - design engineering and installation of the sprinkler system. The Fire Chief advised that as a task they should also add that the Fire Department both supervise the installation of the sprinkler system and provide sign off on the final installation. This will ensure that the completed work is in compliance with the current fire codes.

Mr. Easom also spoke to the Head of the Water and Sewer Department. They will be required to do a flow test for this project. It is recommended that the flow test be completed this month otherwise it will need to wait until the fall. If this is completed during the summertime it will stir up a lot of debris in the pipes.

Mr. Easom will reach out to some engineering companies and speak with Mr. Haddad regarding the Procurement procedures specific to the Prescott School.

Brooks Lyman moved to approve and accept the letter from Mark Haddad appointing Bruce Easom to the position of Project Manager for CPA Project #2019-03. Bruce Easom seconded and the motion carried by unanimous vote.

BOYNTON MEADOWS CPA PROJECT

Bruce Easom has been encouraged by Russ Harris to figure out what happened with Boynton Meadows CPA Project resulting in a $412K loss. Committee members suggested that Mr. Easom speak with Town Manager first as there may still be litigation involved regarding this. If that is the case then the CPC would need to run anything by Town Counsel first.

Anna Eliot suggested meeting with the Affordable Housing Trust (AHT) first since they were initially handling the project. Robert DeGroot and Daniel Emerson agreed that was a great idea and a good starting point. The CPC may always invite the AHT to a second follow up meeting for more details if necessary. In the meantime, members should consider reviewing meeting minutes from when the applicant presented at the Town Meeting to see what was discussed.

Bruce Easom moved to request that a report be delivered or presented by the Affordable Housing Trust describing the Boynton Meadows CPA Project to date by July 22nd, 2019. Anna Eliot seconded and the motion carried by unanimous vote.
CPC BILLS

Committee members reviewed and signed three invoices: one was for the Housing Coordinator position, the second invoice was from Groton Electric Light for the Duck Pond Restoration and the third invoice was from Spencer, Sullivan & Vogt, Inc. for the final payment due for the First Parish National Register Nomination CPA Project # 2018-07.

Bruce Easom moved that the CPC transfer Community Housing funds in the amount of $3,195.33 for the purposes of paying the health insurance and life insurance for Groton's Affordable Housing Coordinator. Anna Eliot seconded and the motion carried by unanimous vote.
