

COMPLETE STREETS COMMITTEE
APRIL 11, 2017
MINUTES

Chairman Barringer called the meeting to order at 8:40 AM at the Town Hall.

Members present: George Barringer, Peter Cunningham Tom Delaney, John Llodra, and Kristen Von Campe

Member absent: Ellen Baxendale and Stephen Legge

Tier 2 – Prioritization Plan

The Committee reviewed the Prioritization Plan submitted to MassDOT on March 30, 2017. The Prioritization Plan is valid for five years, so all the project do not have to be completed in FY 2018.

Tier 3 – Construction Funding

The motion was made by Llodra, seconded by Cunningham, to apply for funding for the following seven projects:

Rank #1 – Nashua River Rail Trail (NRRT) sidewalk/bicycle path from NRRT to Temple Drive.

Rank #3 – West Main Street sidewalk

Rank #4 – Main Street traffic calming

Rank #7 – Long Hill Road sidewalk

Rank #8 – Sandy Pond Road sidewalk

Rank #10 – Speed limit signage on Martins Pond Rd, Old Dunstable Rd, Chicopee Row, and Lost Lake Drive (2)

Rank #11 – Bike facility project – bicycle repair kit on NRRT

The motion passed unanimously.

Future Projects

The Committee discussed applying to the Community preservation Committee for engineering funds for Project #2 Sidewalk and ADA access from Whistle Post Lane to the NRRT and Project #13 Pedestrian Bridge over West Street at the NRRT. Both projects will enhance recreational use of the NRRT.

The Committee will meet again after hearing from MassDot on the Tier 3 Construction application.

Meeting adjourned at 9:15 AM

Respectfully submitted,

Michelle Collette
Interim Land Use Director/Town Planner
