

Minutes from the Council On Aging
Board Meeting
May 1, 2018

Members Present: Gail Chalmers, Norma Garvin,
Jean Sheedy, Ed Wenzell, Peter Cunningham,
George Faircloth, Richard Marton, Helen Sienkiewicz

Staff Present: Kathy Shelp, Kathy Santiago

Others Present: Marlana Gilbert-Liaison School
Committee, Michelle Collette-Building Committee

A Campaign Finance Committee needs to be
established.

Marlana spoke of how she and her helpers
handled notifying town residents of a
certain voting notice. The wording needs
to be carefully prepared. She also
mentioned having children holding signs
at the polls.

Kathy is ordering signs to be placed
around town in support of voting for
the Center. We agreed to not put out
yard signs.

We think post cards would be most effective.

We would also like to connect with the
housebound voters.

Anyone who is willing to call their friends

and neighbors would be helpful.

Richard mentioned the idea that some residents are considering the new center, as a Recreation Center.

We spoke about canvassing many different locations in town.

Next meeting will be held on Monday, May 21 at 1 p.m.
