CERTIFICATE OF EXEMPTION

***Earth Removal By-Law, Chapter 134, § 10 Exemptions
Earth Removal Regulations, Chapter 239, Section 12E, for less than 500 cubic yards***

In accordance with the provisions of Chapter 134 Earth Removal, §10 Exemptions, and Chapter 239, § 12E, a Certificate of Exemption is hereby issued for earth material to be removed from property located at:

Address: _____

Assessors' Lot: _____

Quantity of material to be removed shall not exceed: _____

Conditions and limitations:

1. No operating on site before 8:00 AM or after 4:00 PM.
2. Removal of material from the site shall only be from 8:30 AM to 2:00 PM while school is in session.
3. The roadway must be cleaned at the end of the workday.
4. Earth material shall not erode into the municipal storm drain system, any wetlands or abutting properties.
5. Applicant shall notify the Earth Removal Inspector prior to commencement of earth removal activity.
6. Slope of stockpiles shall not exceed 2.1.
7. Appropriate dust control measures to be undertaken at all times.

EARTH REMOVAL STORMWATER INSPECTOR:

Michelle Collette

DATE OF ISSUANCE: _____

EXPIRATION DATE: _____

If the quantity of earth material to be removed from a site is 500 cubic yards or less from a single lot held in separate ownership from the adjoining lots, the Earth Removal-Stormwater Inspector shall issue a certificate of exemption only if the final plan qualifies as an exemption under § 134-10 of the Earth Removal Bylaw. The Inspector shall act on the request within 14 days of receipt of the application in the Selectmen's office. The application and certificate of exemption shall be kept on file in the Selectmen's office. A certificate of exemption shall expire three months from the date of issuance.
