**EARTH REMOVAL EXEMPTION 41 & 71 TAVERN ROAD**

The Committee met with excavator Jay Mathis regarding an Earth Removal Exemption submitted by homeowners William Lambirth, 41 Tavern Road, and Jamie Caloggero, 71 Tavern Road, to remove 4500 cubic yards of gravel at their property line in order to move a utility pole and regrade both yards. The material will be delivered to property located at 122 Old Ayer Road.

The Committee will do a site walk on Saturday, March 21, 2017 at 7:15 AM. The homeowners must submit the application to the Board of Selectmen because the amount of material to be removed exceeds 500 cubic yards.

The Committee reviewed the draft revisions to Chapter 352 Stormwater Regulations Filing Fees to eliminate the filing fee formula for Full Stormwater Permits and to rely on estimates from the peer review engineer.
