Special Town Meeting Warrant Articles

-
- **Motion:** A. Walsh moved and G. Gingras seconded to reconsider STM Article 8 regarding the purchase of a copier. Vote: 5-0

Discussed the need for a new copier at this time. Should a new copier be bought rather than leased if the old one breaks? Are we setting a precedent for other Departments to submit equipment requests based on the fact the equipment "might break" during the year? Vote to support the purchase of a new copier: 3-2.

- **Motion:** A. Walsh moved and S. Shuman seconded to reconsider STM Article 5 regarding the funding for the Recreation Department. Vote: 3-2 to reconsider and 3-2 to support.
