Town of Groton Charter

Mr. Green called the Finance Committee meeting to order at 8:00 p.m.

**FinCom Charter Review Committee Designee** – Mr. Green read a letter submitted by Mr. Scott Harker explaining that for reasons of his health, he would be unable to continue to serve as the FinCom’s designee to the CRC. The group discussed the manner in which they should go about choosing a replacement to represent the FinCom on the CRC. Rather than simply choosing a current FinCom member or defaulting to previously received letters of interest, it was decided that the Charter Review process would best be served by reaching out to the public a second time to find qualified candidates. The Finance Committee already has one of its own members on the CRC, and is well-equipped to address the interests of the FinCom as the process moves forward. Choosing an individual from outside the FinCom (from as large a pool of applicants as possible) will ensure a diverse group for the CRC. Ms. Anderson noted that the CRC had already met several times, and it would be best to seat the replacement designee as soon as possible so as not to delay the review process.

**On a motion by Mr. Prest, seconded by Mr. Manugian, the Finance Committee voted unanimously to re-open the CRC application process and to choose a new FinCom designee from the general public. The Vote: 6-0-0.**

Mr. Pease agreed to notify the Town list-serve members of the need to fill this vacancy. Ms. DuFresne will arrange to place the invitation to apply on the front page of the Town’s website as well as on the Finance Committee’s web page. The group agreed to establish an application deadline of August 18th. The members will meet again on September 1st to discuss the applications received and to interview interested candidates. Mr. Green asked the other members to be pro-active in seeking out individuals who would be useful members of the CRC and encouraging them to apply for the vacant seat.
**Charter Review Recommendations** - Mr. Robertson reminded the group that the CRC is not only asking committees to propose charter changes, but also to explain the reasoning behind the proposed change. He suggested utilizing the template on the CRC web page. Mr. Pease explained that he had researched charter documents for a variety of other towns. He noted that Westford’s charter focuses primarily on the duties of the Town Manager; they rely on their by-laws for most everything else. He assumed that this is because it is easier to make changes to by-laws than to a town charter. Mr. Petropoulos mentioned that one of the challenges of Groton’s charter has to do with its “broad brush” nature; now the Town is in a position to tighten up certain sections. Mr. Prest felt that there was no need for the Finance Committee to become involved with making changes to the document as a whole. The FinCom should focus on defining its own role and responsibilities in the charter. For instance, he feels that the Finance Committee should work together with the Board of Selectmen and the Town Manager to help develop the Town budget, and not just passively accept for review the completed budget document. Some progress along these lines has already been made for FY17, but it would be useful to codify this. Mr. Bacon noted that the roles and responsibilities of appointed committees (as opposed to those that are elected) are not well-defined. Mr. Manugian said that Massachusetts General Law defines a role for the Finance Committee, perhaps the Town Charter could simply build on this. Mr. Bacon suggested a paragraph outlining the general roles and responsibilities of the Finance Committee, and then another paragraph which expands on the FinCom function in greater detail. Mr. Green cautioned that because it is difficult to make changes to the charter, the group should be careful not to try to add too much. The group agreed to use Mr. Bacon’s suggested language (see attached) to form the general basis of the FinCom function, and then to utilize Mr. Pease’s document (see attached) for specific detail in support of this function. Mr. Bacon will assume responsibility for assimilating these two documents into the CRC template. The group discussed where in the current charter document the suggested changes for the FinCom should reside. It was noted that the final format and placement of suggested changes will be determined by the CRC.

Mr. Prest would like the FinCom members to consider two additional questions: 1. Whether FinCom members should be appointed or elected, and 2. How much involvement should the FinCom have in budget development and contract negotiations. Mr. Robertson felt that officials tend to be elected based more on “who they know” rather than “what they know.” Therefore a committee tasked with performing functions that require a particular skill-set may end up with more qualified members if they are appointed, while policy-making boards are better-served if their members are chosen by election. Mr. Green said that the MMA published a survey that shows that 82% of Massachusetts Finance Committees are appointed. Mr. Pease cautioned that if the Finance Committee does not participate more actively in policy-setting in budgeting and finance matters, havoc is likely to result.

On a motion by Mr. Prest, seconded by Mr. Bacon, the Finance Committee voted unanimously to recommend to the CRC that future Finance Committee members continue to be chosen through an appointment process rather than by an election process. The Vote: 5-0-1 (Mr. Pease abstained)

The members discussed who the appointing authority should be for the Finance Committee. Mr. Pease said that allowing the BOS to appoint and remove members could result in some decisions being made for political reasons or as a result of inside influence. Mr. Green said that many towns allow the Town Moderator to appoint the Finance Committee. Mr. Pease noted that this would allow the Moderator some influence over fiscal policy as well as Town Meeting procedures. Mr. Robertson suggested that the
most diverse appointment solution would be to allow a troika consisting of the Moderator, the Chairman of the Board of Selectmen and the Chairman of the Finance Committee to make the selection. Mr. Pease wondered if the Town Clerk should participate. Mr. Prest felt that the BOS as an elected board of 5 individuals was fully capable of appointing the Finance Committee members. Mr. Robertson agreed but said that the process could be improved somewhat. Ms. Anderson felt that the FinCom should fully vet all the candidates first, and then bring at least two candidates forward for the troika to select from. She agreed that an election can be self-defeating in that candidates perceive this process as burdensome and decline to participate.

On a motion by Mr. Manugian, seconded by Mr. Robertson the Finance Committee voted unanimously to recommend to the CRC that future Finance Committee members be appointed by a troika consisting of the Chairman of the Board of Selectmen, the Chairman of the Finance Committee and the Town Moderator. The Vote: 6-0-0

The members discussed codifying the review of the BOS Financial Policies. Mr. Pease said that the FinCom and the BOS should review all financial policies annually, though he is not necessarily referring to the review of any specific document. Development of an accurate budget document is much more likely if all those involved understand the budget and financial policies involved. Mr. Robertson felt that the FinCom should in fact reference the specific document (the BOS Overall Financial Management Policy); it exists and therefore should be reviewed and updated annually.

After a brief discussion, the members decided to recommend deleting section 2-6(b) regarding delivery of warrant article petitions to the Chairman of the FinCom. This is not currently happening and is not truly necessary to the process.

The Finance Committee discussed at length the process of preparing the 5-year fiscal plan for the Town. Mr. Pease would like to see more FinCom involvement in this effort. Mr. Green felt that this is already part of the budget process and it is somewhat redundant to include it as a separate section in the charter. Mr. Manugian said that the 5-year plan exists outside of the annual budget and represents something of a “wish list” for the Town and its Department, and therefore has no real authority. Mr. Pease would like to see a formal presentation of the 5-year plan going forward. Mr. Bacon suggested adding language that states that “The 5-year plan will be developed in collaboration with the FinCom and the Finance Department as a component of the annual budget process.” Mr. Pease suggested that the intent should be for the 5-year plan to be reviewed by both the BOS and the FinCom.

The group discussed the limitations in the process of negotiating union contracts. Mr. Bacon and Mr. Prest do not feel it is necessary to be directly involved in the negotiations, however it would be useful for the FinCom to be part of the initial strategy meetings and should retain some final approving authority. Mr. Green agreed that the contracts should at the very least be presented to the FinCom before the BOS is asked to ratify them. Mr. Manugian agreed that the FinCom should be included in strategizing before the contracts are negotiated, he is not as comfortable that the FinCom should ratify those contracts.

Approval of Meeting Minutes –

FinCom Meeting Minutes 8/04/2015
On a motion by Mr. Prest, seconded by Mr. Bacon, the Finance Committee voted in the majority to approve the meeting minutes of July 7th, 2015 as amended. The Vote: 5-0-1 (Mr. Manugian abstained).

Mr. Green officially adjourned the meeting at 10:05 p.m.

Respectfully submitted,

Patricia Dufresne, Recording Secretary
I read through the Town Charter, and it appears those Finance Committee members who said that the Fincom roles aren’t adequately described are correct.

Since there isn’t a section of the Charter devoted to appointed committees, I think description of the Finance Committee’s roles and responsibilities is best placed in Article 6, “Finance and Fiscal Procedures.”

I would start this article off with a new paragraph 6-1, “The Finance Committee,” and insert the following language:

The Finance Committee has seven members who are appointed by a majority of the Board of Selectmen, serving terms of 3 years each, arranged so that the terms of office of as nearly an equal number of members as is possible shall expire each year. The Finance Committee will appoint a chairperson and a deputy chairperson to run meetings and present the Finance Committee’s recommendations during the town budget process. The primary roles and responsibilities of the Finance Committee are as follows:

1. Serve as principal advisors to the Board of Selectmen, the Town Manager and the Finance Department on all matters pertaining to the budget, including budgeting strategy and goals, and the balancing of revenues and expenditures.
2. Together with the Board of Selectmen, the Town Manager and the Finance Department, develop a budgeting strategy and set financial goals for each fiscal year.
3. Review and ratify the town’s annual budget in accordance with the process described later in this section, and present the budget for a vote at the spring town meeting.
4. Consult with the Board of Selectman, the Town Manager and Finance Department prior to collective bargaining to develop a strategy aligning with the town’s annual budgetary strategy and goals.
5. Review the results of collective bargaining to ensure alignment with annual budgetary strategy and goals, and recommend changes in those instances where collective bargaining is not in alignment with strategy and goals.

Respectfully submitted...

Mark Bacon
August 3, 2015 - For consideration by Finance Committee as group’s recommendation for modifications to Section 6-5 of the Groton Town Charter. Crafted by Barry A. Pease, Member, Fincom.

At a previous meeting, Gary Green and others had expressed that there was no codification of how the Fincom should review/consider the yearly budget. This is broad-brushed attempt to put some ideas onto paper as to what check-boxes might be useful. It is submitted as food for thought, as some of these items might better fit as a modification to by-laws (Chapter 13) rather than the Charter...

The finance committee shall review the budget to assure that it meets the following fiscal considerations:
1) Is the proposed budget within the policy guidelines as agreed upon at the prior to the budget cycle?
2) Does the proposed budget fall within the 5 year plan?
3) Does the proposed budget use only numbers confirmed by the DOR (growth, etc.) during the previous fiscal year? i.e. No estimates shall be made regarding the ensuing fiscal year "new growth". New growth may not be included in the levy limit until the fiscal year after the DOR has verified this number.
4) Does the proposed municipal budget have only 65% of its non-capital expenditures in labor, benefits, insurance and other items directly related to salaries and wages? (Percentage is arbitrary and just a placeholder). Do the contracted increases push future budgets beyond this level?
5) Is the municipal portion of the budget within 40% of the town's total non-excluded budget? i.e. Is the Ratio 60%/40%
6) Are there places within the budget where automation might create more productivity, and thus place a cap on future labor growth? Have these projects been defined and funded?

One more item - I looked in both the bylaws and the town charter...I couldn’t find where the reserve fund was spelled out or the practice of line-item transfers requiring our approval. (I noticed that it was spelled out in Westford’s by-laws). Also, please note that Westford has all of their Fincom info within the By-laws, but they have a MUCH larger section regarding it. And Westford’s Fincom is appointed by the Town Moderator.

The current section 6-5 is below:
Section 6-5: Action on the Budget
The finance committee shall, upon receipt of the budget from the town manager, consider in public meetings detailed expenditures for each town department and agency and may confer with representatives of each town agency in connection with its review and consideration. The finance committee may require the town manager, or any town agency, to furnish it with additional information as it may deem necessary to assist it in its review and consideration of the proposed budget. The finance committee shall file with the town clerk, at least 14 days before to the first session of spring town meeting, a report containing its proposed budget and its comments or recommendations regarding differences between its proposed budget and the budget submitted by the town manager. The report shall also be made available to voters of the town by publication on the town’s website and by leaving copies of the report at least 3 public places in the town at least 14 days before the first session of spring town meeting. Additionally, copies of the report shall be made available to voters at the first session of spring town meeting. The failure to timely file the budget report with the town clerk or to publicize the report by posting on the town’s website or in 3 public places in the town shall not prohibit the town meeting from voting on the budget nor shall it affect the validity of any vote taken thereon at town meeting.

The finance committee’s proposed annual town budget shall be presented to the town meeting by motions made by the finance committee, which shall also present its comments and recommendations with respect to the budget. The town manager or the board of selectmen, or both, shall also present their comments and recommendations, if any, at the town meeting with respect to the budget. The budget shall be voted upon in accordance with the by-laws.
August 3, 2015 - For consideration by Finance Committee as group's recommendation for modifications to allow Fincom to be a Policy board within the scope of Groton Town Charter. Crafted by Barry A. Pease, Member, Fincom.

Here are several places within the existing Charter (prior to section 6) that involve Fincom:

Section 2-6(b) - Referral - Following receipt of any petition containing a proposed warrant article, the board of selectmen shall deliver a copy of the proposal to the chairman of the finance committee and shall distribute copies of the proposal as may be required by law or by-law.

Section 2-11: Report to the voters
... (2) the written report of the finance committee, setting forth its findings, conclusions and recommendations, including the reasons therefor, regarding all of the monetary articles in the warrant; ...

Section 3-2(d) - Appointing Authority - The board of selectmen shall appoint the town manager, finance committee, town counsel, a zoning board of appeals, and a board of registrars. The board of selectmen shall also appoint, consistent with paragraph (d) of section 4-2, a police chief and a fire chief. The police chief shall serve under section 97A of chapter 41 of the General Laws. The fire chief shall serve under section 42 of chapter 48 of the General Laws. The board of selectmen shall also appoint a conservation commission, council on aging, housing partnership, local cultural council, and other committees as required by the General Laws. [Amended by Ch. 50, Acts of 2010] BAP --> should the Fincom be appointed or elected? Should it be appointed by another entity or tri-board, i.e. Selectmen, Moderator and Clerk, with 2/3rd require to approve? What are the risks of election? What are the risks of expanding the appointing committee?

Section 4-5: Screening Committee [Amended by Ch. 50, Acts of 2010]
Whenever a vacancy shall occur in the office of town manager, a screening committee shall be established for the purpose of soliciting, receiving and evaluating applications for the position of town manager. The screening committee shall consist of 7 persons who shall be chosen as follows: the board of selectmen shall designate 3 members, the finance committee shall designate 2 members, and the town moderator and the town clerk shall each designate 1 member. Persons chosen by these agencies may, but need not, be members of the agency by which they are designated. BAP --> here again we have 3 elected bodies and 1 appointed body on an important committee - why the variation?

Section 5-3(d) The department of finance shall prepare, maintain and present to the board of selectmen and town meeting a 5-year financial plan for the town. BAP --> What about the Finance Committee's involvement in the 5-year financial plan? Is it reasonable that the Fincom should approve (toll-gate) any plan before it's codified and presented to town meeting?

Section 6-1: Fiscal Year
The fiscal year of the town shall begin on July 1 and shall end on June 30, unless another period is required by the General Laws.

BAP --> This is from the adopted financial guidelines. Does it make sense to codify this in the Charter?
Fincom - Two possible approaches to a stronger Fincom, which can be a POLICY board.

---------APPROACH IF ELECTED ---------

Put Fincom in Section 3: Elected Officers
Requires modification to Section 3-1(a), and a new 3-1(f) as follows:

4. Finance Committee - If there is a failure to elect a member of the Finance Committee, or if a vacancy occurs in the membership of the Finance Committee, the remaining members of the Finance Committee shall give notice to the public regarding the vacancy in accordance with section 7-9. The remaining members of the Finance Committee shall submit recommendations to a tri-board panel of Town Clerk, Town Moderator, and Chairman of the Board of Selectmen, who shall, by 2/3rds vote, ratify a candidate. The candidate shall fill the vacancy until the next town election.

New Section 3-9 (current section 3-9 becomes 3-16):

Section 3-9: Finance Committee
(a) Composition, Term of Office - There shall be a finance committee consisting of 7 members elected for terms of 3 years each, arranged so that the terms of office of as nearly an equal number of members as is possible shall expire each year.
(b) Powers and Duties - <as submitted by other members of the Fincom>

---------------------------

---------ALTERNATE APPROACH IF TRI-BOARD APPOINTMENT ---------

Requires NEW Section - two possibilities are immediately apparent: after section 4 (Town Manager) but before Section 5. Or, before Section 4.

Section X: Finance Committee
(a) Composition, Term of Office - There shall be a finance committee consisting of 7 members appointed for terms of 3 years each, arranged so that the terms of office of as nearly an equal number of members as is possible shall expire each year.
(b) Appointment - Members of the Finance Committee shall submit recommendations to a tri-board panel of Town Clerk, Town Moderator, and Chairman of the Board of Selectmen, who shall, by 2/3rds vote, ratify a candidate.
(c) Powers and Duties - <as submitted by other members of the Fincom>

---------------------------

BAP - Please note that yet another approach - ADVISORY board - this would be less than a Policy board but more than a sign-off. The Charter doesn't have ANY scope regarding this type of role, and such would have to be created. Think similar to "Citizen Advisory Board" or "Citizen Review Committee" that are instituted in other municipalities. Usually these boards are appointed by the Elected mayor and have huge influence over situations.
August 3, 2015 - For consideration by Finance Committee as group's recommendation for modifications to Section 6-2 of the Groton Town Charter. Crafted by Barry A. Pease, Member, Fincom.

Section 6-2: Submission of Budget and Budget Message
Within the time fixed by by-law, but not later than December 31 of the year immediately preceding the year in which the next spring town meeting is to convene, the town manager, after consultation with the board of selectmen, shall submit to the finance committee a proposed, balanced, operating budget for the ensuing fiscal year with an accompanying budget message and supporting documents. The town manager shall simultaneously provide for the publication of a general summary of the proposed budget in a local newspaper and the town's website. The summary shall specifically indicate any major variations from the current operating budget and the reason for such changes. The notice shall further indicate the times and places at which the complete copies of the proposed operating budget are available for examination by the public.

Amend Section 6-2 to begin with:
The Board of Selectmen, Town Manager, Finance Team and Finance Committee shall hold an open meeting prior to the start of the budget cycle to agree upon and determine budgetary goals for the ensuing fiscal year, with such goals being ratified by a 2/3rd majority vote of both boards.

Amend Section 6-2, 2nd sentence as follows:
Within the time fixed by by-law, but not later than December 31 of the year immediately preceding the year in which the next spring town meeting is to convene, the town manager, after consultation with the board of selectmen, shall submit to the finance committee a proposed, balanced, operating budget for the ensuing fiscal year that complies with the budgetary goals set forth prior to the start of the budget cycle. The budget shall be submitted along with an accompanying budget message and supporting documents.

Such that Section 6-2 will now read:
The Board of Selectmen, Town Manager, Finance Team and Finance Committee shall hold an open meeting prior to the start of the budget cycle to determine budgetary goals. Within the time fixed by by-law, but not later than December 31 of the year immediately preceding the year in which the next spring town meeting is to convene, the town manager, after consultation with the board of selectmen, shall submit to the finance committee a proposed, balanced, operating budget for the ensuing fiscal year that complies with the budgetary goals set forth prior to the start of the budget cycle. The budget shall be submitted along with an accompanying budget message and supporting documents. The town manager shall simultaneously provide for the publication of a general summary of the proposed budget in a local newspaper and the town's website. The summary shall specifically indicate any major variations from the current operating budget and the reason for such changes. The notice shall further indicate the times and places at which the complete copies of the proposed operating budget are available for examination by the public.

BAP --> Should there be more Fincom guidance PRIOR to the balanced/operating budget?
What does "balanced" mean? Does this mean that 2.5% is added to the previous year and therefore the revenues match the expenses? Is "Balanced" too vague/easy?
Is 2/3rds the correct threshold - a good high-bar - this prevents a simple majority (3/5 or 4/7) from moving the budget - it's as close to consensus as we can likely obtain in a political body.

The legislative powers of the town shall be exercised by a town meeting open to all registered voters of the town.

The town meeting shall meet in regular session twice in each calendar year. The first such meeting, referred to herein as the "spring town meeting", shall be held during March, April or May, on a date fixed by by-law, and shall be primarily concerned with the determination of matters involving the expenditure of town funds, including, but not limited to, the adoption of an annual operating budget for all town agencies, and for the purpose of electing officers and for the determination of all other matters to be decided by ballot of the voters. The spring town meeting shall be deemed to be the annual town meeting. The second such meeting, referred to herein as the "fall town meeting," shall be held during the last 4 months of the calendar year on a date fixed by by-law, and shall be deemed to be an annual town meeting for all purposes of the General Laws; provided, however, that the fall town meeting shall not include the election of officers.

Section 2-2: Presiding Officer
The moderator, elected as provided in section 3-4, shall preside at all sessions of annual and special town meetings. He shall, at the first session of the spring town meeting, appoint a deputy moderator, subject to ratification by the town meeting, to serve at any session of an annual or special town meeting in the event of his absence or disability. The
deputy moderator may also temporarily serve when the moderator has a conflict or the appearance of conflict arises, as determined by the moderator, with regard to a particular article or matter under consideration.

The moderator, at all town meetings, shall regulate the proceedings, decide all questions of order, make public declaration of all votes, and may exercise such additional powers and duties as may be authorized by law, this charter, by-law or other vote of the town meeting.

Section 2-3: The Town Report
The board of selectmen shall publish an annual town report and make it available at least 14 days before the spring town meeting; provided, however, that failure to comply with this section shall not prevent town meeting from proceeding.

Section 2-4: Special Town Meetings
Special town meetings shall be held at the call of a majority of the full board of selectmen in order to transact the legislative business of the town in an orderly manner. Special town meetings shall also be held on the petition of the lesser of at least 200 voters or 20 per cent of the total number of voters.

Section 2-5: Warrants
Every town meeting shall be called by a warrant issued by the board of selectmen, which shall state the time and place at which the meeting is to convene and, by separate articles, identify the subject matters to be acted upon. The publication of the warrant for every town meeting shall be in accordance with the General Laws and by-laws governing such matters.

Section 2-6: Initiation of Warrant Articles
(a) Initiation - Subject to paragraph (c), the board of selectmen shall receive petitions addressed to it which request the submission of any matter to the town meeting and which are filed by: (1) any town officer; (2) any multiple member body acting by a majority of its members then in office; or (3) any 10 voters for a session of the spring or fall town meeting and (4) any 100 voters for a special town meeting.

(b) Referral - Following receipt of any petition containing a proposed warrant article, the board of selectmen shall deliver a copy of the proposal to the chairman of the finance committee and shall distribute copies of the proposal as may be required by law or by-law.

(c) Inclusion on the Warrant - Spring and Fall Town Meeting - Whenever a spring or fall town meeting is to be called, notice shall be given by posting attested copies of the warrant in at least 2 public places in the town and by publishing notice of the meeting in a local newspaper at least 14 days before the day appointed for the meeting. The board of selectmen shall include in the warrant, for a session of the spring and fall town meeting, the subject matters of all petitions which have been received by it at
least 60 days before the date fixed by by-law for such session to convene. Unless specified otherwise in this charter, the content, scheduling and notice requirements for a spring or fall town meeting shall be as provided for in section 10 of chapter 39 of the General Laws for an annual town meeting.

(d) Inclusion on the Warrant - Special Town Meeting - Whenever a special town meeting is to be called, notice shall be given by posting attested copies of the warrant in at least 2 public places in the town and by publishing notice of the meeting in a local newspaper at least 14 days before the day appointed for the meeting. The board of selectmen shall include in the warrant for such special town meeting the subject matters of all petitions which have been received by it at least 20 days before the day appointed for the meeting. Unless specified otherwise in this charter, the content, scheduling and notice requirements for a special town meeting shall be as provided for in section 10 of chapter 39 of the General Laws for a special town meeting.

Section 2-7: Availability of Town Officials at Town Meetings; Conflicting Meetings
(a) Every town officer, chairperson of each multiple member body, and head of each department and division shall attend all sessions of town meetings.

In the event any town officer, chairperson of a multiple member body, or department or division head shall be absent from a town meeting due to illness or other reasonable cause, that person shall designate a deputy to attend the meeting and represent the office, multiple member body, department or division. If any person designated to attend a town meeting under this section is not a voter, such person shall, nonetheless, have a right to address the meeting for the purpose of fulfilling the objectives of this section.

(b) No meeting of any multiple member body or town agency shall be convened or be in session during a session of any town meeting.

Section 2-8: Clerk of the Meeting
The town clerk shall serve as clerk of the town meeting, give public notice of all adjourned sessions of the town meeting, record its proceedings, and perform such additional duties in connection therewith as may be provided by the law, this charter, by-law or other town meeting vote.
