

Vertex LL 33HE™ Compressor System

Do you want to control unsightly and harmful algae blooms, eliminate foul odors, reduce muck, improve fisheries and add life giving oxygen to your waterway?

The new Vertex LL 33HE™ high efficiency air compressor system is ideal for aerating larger lakes, inland canals, harbors and marinas. The LL 33HE provides you our most advanced technology yet in large single phase compressor systems for restoring impaired waterways.

Features & Benefits

- ◆ **Powerful:** Brookwood super-duty 230V single phase HighFlow™ compressors provide 30 PSI of working pressure, for depths up to 50' deep.
- ◆ **Higher Efficiency:** Brookwood HighFlow™ systems reduce monthly electric bills about 40% over rotary vane and 10% over other piston compressor systems.
- ◆ **Total Airflow:** 33 Cubic Feet/Minute – Industries highest flow rate and a 50% increase over our next largest single phase system.
- ◆ **Epoxy Coated Compressor Heads:** New corrosion protective coating protect components against demanding summer temperatures and high humidity.
- ◆ **Extended Service Intervals:** When operated 24/7, the compressor service interval is typically every two to three years.
- ◆ **Compressor Cabinet:** Heavy gauge, powder coated, reinforced and welded aluminum construction with stainless steel fasteners.
- ◆ **Redundant Cooling System:** Three oversized 7" axial fans with excess capacity to protect compressors from over-heating and premature motor failure for world-class reliability.
- ◆ **Vertex SafeStart™:** This exclusive technology boosts airflow while allowing safe, automatic restart following power supply interruption.
- ◆ **Versatility:** System is totally customizable, operates all models of Vertex AirStations™, BottomLine air supply tubing and VBS remote valve boxes as needed.
- ◆ **World's Best Warranty:** 3 years parts coverage on compressor system excluding wearable parts (air filters and compressor maintenance kits), 5 years on all AirStations™ and 15 years on BottomLine™ air supply tubing. See our website for details.
