June 14, 2016

Present

Chairman: Jim Luening

Member: Art Prest, Francoise Forbes, Alex Woodle, Susan Horowitz, Bill Strickland

Joint Meeting With Conservation Commission

Meeting called to order by Peter Morrison: The first topic was the Notice of intent for Baddacook Pond Special Conditions #1138. Marshall Giguere read the conditions and all voted in favor.

Jim Luening mentioned that Ted Fiust of Aquatic Vision called and the Harvester that he reserved for the project was not available and he could not accomplish the project. Takashi Tada mentioned that the order was good for 3 years. The GPAC moved to the first floor meeting to continue the GPAC meeting.

Jim Called Ted Fiust on his speaker phone to allow the committee to participate in the conversation. Ted indicated that he just received the call and did not have any more information. Art Prest asked if the machine was going to be available at a later date. Ted's response was that it was not. Bill asked if he tried other manufacturers such as Aquarius Systems, his response was that he did not.

Jim took an action to contact the manufacturer Alpha Boats.

Art suggested that he talk to Marc Bellaud of Solitude.

Alex suggested that the funds could be submitted to assist the Lost Lake weed activity.

Moved that a follow up meeting be held Thursday June 23 2016 and Jim will send out a meeting notice.
