We all live down stream Everything that we put down our drains and on our lawns affects the health of our streams. Call NRWA at 978-448-0299

This brochure has been funded by a grant from the Groton Trust Funds' Peter E. Bertozzi Scholarship Trust Fund, the Commissioners of Trust Funds' Lecture Fund, and the Greater Lowell Community Foundation.

Groton stream signage has been created by the Groton Greenway Committee, and paid for and erected by the Groton Highway Department as part of their Stormwater Management Program to direct attention to Groton's streams.
