INSTRUCTIONS FOR SEWER APPLICATION

1. Read all rules and specifications thoroughly.
2. Fill out the Application and return to the Sewer Department Office, 173 Main St., Groton, MA 01450.
3. Drainlayer, if needed, who will perform the work shall list name and license number in Item 2 of the Application.
4. Contractors or Owner must submit plans to the Groton Sewer Department (978 448-1117) prior to work.
5. Reasonable notice of completion of the installation and a request for **FINAL INSPECTION shall be given to the Groton Sewer Department. NO SEWER LINE IS TO BE BACKFILLED UNTIL ALL WORK HAS BEEN INSPECTED BY THE SEWER DEPARTMENT OR AUTHORIZED AGENT.**
6. All inspections will be made during normal workweeks: Monday-Friday between 8:30 A.M. and 3:00 P.M. unless otherwise prearranged. An inspection fee will be charged for all inspections. Inspections made outside normal working hours, for re-inspections required due to unacceptable or incomplete work or due to missed appointments by the applicant or applicant’s agent will be subject to additional inspection fees. Charges will reflect the prevailing wage rates of the personnel making the inspection.
7. Requests for inspections on new sewer service connections shall be made by the licensed contractor 48 hours preceding the installation.
8. Plumbing Codes apply to interior plumbing and building drain(s) extending 10 feet from the inside foundation wall. Changes to interior plumbing and building drains(s) must be approved by the Plumbing Inspector. Approval of the sewer by the Sewer Commission shall not nullify this requirement.
