**FY27 Budget Review**

Mr. Gmeiner and Mrs. Crory reviewed the FY27 Center Sewer Budget with the finance committee. There were no major questions on the expenses or the income projections. The last year of the sewer betterments will be in FY27. The Town Treasurer asked who will pay the fee for filing the redemption and it was determined that it will not be much and the sewer department can pick up that cost when the time comes. Mr. Haddad stated that the town cannot pay a portion of the Pepperell debt in FY27.

There were no questions regarding the FY27 Four Corners Sewer Budget.

The discussion ended at 10:10am.

Respectfully Submitted,

Lauren Crory
