Pepperell

The BOSC will ask Mr. Brinkman for an update on I&I and follow up on the manhole quote.

FY26 & FY27 Budget

Ms. Crory discussed checking wages and salaries through the end of the year and mentioned the need for a line-item transfer of \$6,000 from the general expense budget to the Old Ayer Road Betterments debt. Mr. Gmeiner inquired about the status of money being held and Ms. Crory confirmed that the funds had been exhausted for this particular betterment project.

Other Business: Bills, Minutes, etc.

Ms. Crory told the BOSC she received an abatement request for the Groton Historical Society. They received a bill for 87-units and it's usually around 11-units and the previous tenant has moved out, so it's hard to determine what the cause was. A new meter has been installed to determine if the usage was due to a leak or other issues and the BOSC asked that we monitor it for a little longer and gather more data.
