583 Main Street - Abatement

The BOSC discussed the water usage concerns at 583 Main Street, where a potential outdoor spigot issue was being monitored since May 9th. After reviewing usage data showing only 2 units used since installation, which puts them on track for no more than 15 units per quarter, the group determined the explanation about the spigot was not reasonable but agreed to reduce the usage to the lowest tier.

Mr. Berg made a motion for a one-time abatement in the amount of \$595.34 Mr. Gmeiner seconded and the motion passed unanimously. Roll Call: Gmeiner-Aye and Berg-Aye
