§ 153-1 Purpose.

The purpose of this chapter is to promote the educational, cultural, economic and general welfare of the public through the preservation and protection of historical and/or significant buildings within the Districts, of the distinctive characteristics of building, places and landscapes significant in the history of the Commonwealth and the Town of Groton through the preservation, maintenance, and development of appropriate settings, architecture, landscapes, and streetscapes within the Historic ~~district~~ Districts. This Chapter is intended to protect the character of Groton by ensuring that changes to existing buildings, settings, landscapes, and streetscapes are compatible with and enhance the character of the Districts and that new structures as may be built within the Districts employ the degree of architectural integrity and standard of materials and construction so as to enhance rather than detract from the Districts, of historic and educational significance through the development and maintenance of appropriate settings for said buildings, places and ~~district~~ Districts as sites and landmarks compatible with the contributions of many of its citizens to the Town of Groton and to the nation.

B. Regulation of properties, structures, and landscapes under the authority of this Chapter and by Chapter 40C of the General Laws shall involve the portions of such properties, structures, and landscapes within the Districts that are visible from public ways, ways to which the public has access, pedestrian walkways or trails to which the public has access, parking areas to which the public has access, public parks, public bodies of water, or otherwise visible to the public in the opinion of the Commission. The Commission may consider and approve screening it deems appropriate so as to obscure the view of incongruous elements. In instances where the District does not encompass an entire property (so-called split zone properties) the Commission shall be consulted as to changes to the portion(s) of such properties which lie outside the Districts when such portion is in view from a public way or way to which the public has access, pedestrian walkways or trails to which the public has access, parking areas to which the public has access, public parks, public bodies of water, or otherwise visible to the public in the opinion of the Commission so as to develop appropriate methods of screening if warranted in the opinion of the Commission.

§ 153-3 Establishment of Historic ~~District~~Districts Commission; membership.

[Amended 4-27-2009 ATM, Art. 19]

There is hereby established an Historic ~~District~~Districts Commission, under the provisions of MGL C. 40C, consisting of five members and two alternate members to be appointed by the Town Manager.

A.

When the Historic ~~District~~Districts Commission is first established, one member shall be appointed for a term of one year, two shall be appointed for terms of two years, and two shall be appointed for terms of three years.

B.

When the Historic ~~District~~Districts Commission is first established, one alternate member shall be appointed for a term of one year, and one alternate member shall be appointed for a term of two years, and their successors shall be appointed in like manner for terms of three years.

C.

The members of the Historic ~~District~~Districts Commission shall be made up as follows:

(1)

Two from three nominees submitted by the Groton Historical Society.

(2)

One, if possible from two nominees, one of whom shall be submitted by the Massachusetts State Chapter of the American Institute of Architects and one of whom shall be submitted by the Boston Society of Landscape Architects.

(3)

Two additional members without designation.

(4)

One or more of the foregoing shall be, if possible, a resident of the area or areas included in the Groton Historic ~~Distriet~~Districts.

§ 153-4

Powers and duties of Commission.

~~The Historic District~~Districts Commission shall have all of the powers and duties of Historic DistrictDistricts Commissions as provided in MGL C. 40C and of subsequent amendments thereto.

A. The Historic Districts Commission shall have all of the authority, power, and duties of Historic District Commissions provided in Chapter 40C as it may be hereafter amended, including but not limited to:

1. Alterations and/or additions to the exterior of structures and buildings within the Districts;
2. Construction of new structures and buildings within the Districts;
3. The incorporation of or removal of landscaping and/or landscape features within the Districts including but not limited to driveways, guardrails, bollards walkways, fences, retaining walls, lighting, light fixtures, and yard ornaments;
4. The attachment to the exterior of a building or structure or the freestanding placement adjacent thereto of satellite dishes, antennae, awnings, utility connections, structures, or other apparatus, heating or air conditioning units or equipment, or other appendages; signage, temporary or permanent;
5. Signage, temporary or permanent, attached or freestanding, except for road signs installed in accordance with and following the specifications of Mass Highway the installation of which and the location thereof have been coordinated with and reviewed and approved by the Commission;
6. Temporary or permanent recreational features such as tennis courts, swimming pools, or skating rinks;
7. Changes of material, style, or color of exterior elements;
8. The approval or prohibition of the demolition or removal of structures or buildings or portions thereof;
9. The installation of solar or wind utility structures, components, or apparatus; and
10. Alterations or changes to landscapes, streetscapes, or other elements which in a material way impact the visual integrity of the Districts.

B. In the review of all matters submitted to it for approval under Chapter 40C Section 6 the Commission shall consider those matters set forth in Chapter 40C Section 7. The Commission may approve significant alterations or additions to existing structures or landscapes when the final result as proposed will be historically and/or architecturally appropriate, and may approve the use of

materials or design elements which while not historically accurate are visually appropriate in the opinion of the Commission.

C. Submissions to the Commission shall follow the procedural and notice requirements of a submission under Chapter 40C Section 11, provided, however, that the Commission may determine during a pre-submission review that a formal submission and further review is not necessary as provided by the final paragraph of Section 11.

D. The Commission may conduct studies of properties and areas in Groton it deems significant, and shall endeavor to create an archive of buildings within the Districts so as to enable people in the future to understand the evolution of the Districts over time.

E. The Commission may hold and enforce Easements, Restrictions, or such other grants of an interest in land or rights, whether gifted, granted as part of an approval process, or acquired in any other manner, the purpose of such Easements, Restrictions, grant, or right shall be to preserve or enhance a building, property, or area which is significant to the character of Groton, whether such building, property, or area is within one of the Historic Districts or outside of the Historic Districts.

F. In determining the jurisdiction of the Commission as to matters it is empowered to review hereunder or by Chapter 40C of the General Laws, jurisdiction shall be determined by the degree to which the proposed alteration or construction is visible from public ways, ways to which the public has access, pedestrian walkways or trails to which the public has access, parking areas to which the public has access, public parks, public bodies of water, or when such alteration or construction is otherwise visible to the general public in the opinion of the Commission.

§ 153-5 Rules and regulations; gifts.

The Historic ~~District~~**Districts** Commission shall adopt rules and regulations for the conduct of its business, not inconsistent with the provisions of MGL C. 40C, and may, subject to appropriation, employ clerical and technical assistants or consultants and may accept money gifts and expend the same for such services.

§ 153-6 Time limits on certain actions.

When taking action under the provisions of MGL C. 40C, § 7, ~~Paragraph 2,~~ the Historic ~~District~~**Districts** Commission shall make its determination within 45 days after completion of the public hearing.

§ 153-7 Severability.

In case any section, paragraph or part of this chapter is for any reason declared invalid or unconstitutional by any court of last resort, every other section, paragraph or part shall continue in full force and effect.
