Minutes

Meeting Date: October 16, 2001

Members Present: D. Barton, S. Johnson, P. Hardy, L. Moore

Meeting convened at 7:35 PM.

Discussion: **53 Main Street:** (Shumway House), lack of response to meeting & letter. D. Barton will pro-actively let Larry Lezure (of LA) know that several items were missing from the application and inquire if Lawrence Academy wants to continue the application.

9 / 11 Elm Street: re-roofing, using black 3-tab singles = OK.

28 Pleasant Street: The new owner contacted re: whether property is within the district. Dan believes that the property is outside of the district, but until a determination is made requested GHDC be contacted re: any repairs.

Further discussion re: HDC needing new map, updated regulations & contacting Town Counsel for an opinion on several items. Paula will check with the Town Clerk to see if an HDC map was ever recorded.

The regular November meeting date is a conflict for Dan, also it is Thanksgiving week. Postpone & re-schedule to November 27, 2001. Post notice on Town Hall board & in the Groton Herald.
