7:35 P *Open meeting*

182 Farmers Row: *Groton School-Sabine Farm (Gunderson's): Al Friedrich presenting, Groton School wants to do repair work on the barn foundation by replacing the stone with conventional concrete on the back/ rear (would like to maintain as much of the look as is possible). Al will fill out & bring back an application.*

7:40 P: Dunkin Donuts, 127 Main Street: – application for a sign permit (replace existing with a new style). *William Glynn presenting, wants a new sign to present a 'brand identity' in 'this economy'. Members comment that when the building was renovated, the GHDC worked closely with the owner to achieve 'the look' that it has presently & that there is a vision (possibly) for additional improvements. Mr. Glynn expressed that the DD store in the middle has less visual recognition (he feels) because the colors are not visible. He says that the 'cup' is becoming a very distinct logo & it could be updated on the sign. It is suggested that the cup be shown on a revised application & cut sheet and shown as it would appear on the building; continued to 2/15/11 @ 7:40P.*
