

**Groton LCC Meeting November 8, 2010 Minutes
7:30 Public Meeting Room, 2nd floor, Groton Town Hall**

**Members present: Harrie Sloombeek, President
Joni Parker-Roach, Treasurer
Madeleine Walsh, Secretary-online postings of grant applications,
Iva Gardner, Secretary - minutes
Frank Conahan, Lili Ott, Pat Hartvigsen, and Beth Van Gelder**

After welcoming and introducing new or returning members, Harrie provided an orientation and review of the granting process, funding priorities and published guidelines. Discussion ensued of past programs funded, a need for advertising, and the need for a public meeting to get input.

Last February's public meeting event at the library was well attended by grant recipients and interested community members. It highlighted programs that have taken place through Groton LCC funding in a beautiful power point presentation created by Lindsey, gave current recipients an opportunity to discuss their programs, and gave community members an opportunity to meet and give input to the LCC members.

Reminder: Reimbursement forms require 5 signatures. Forms requiring signatures will be in the Groton Public Library on the top floor behind the reference section in a folder. Joni will send an email when a form needs signatures. Please drop by the library when she emails.

Grants were discussed and decided. Iva Gardner recused herself from voting on the grant submitted by Wendy Frank regarding a program proposed for her school. Denial Letters will be sent by Frank Conahan and Lily Ott. After 2 weeks, if none of the denied grants are challenged then accepted grantees will be notified with acceptance letters by Iva Gardner, Pat Hartvigsen and Beth Van Gelder.

The results are below. Accepted applications are marked YES. Denials are marked NO, and please note the 2 partial funding acceptances. All denials were due to a lack of a local partner or a lack of adequate funds in our budget.
