New Business:

Chris Clinton from School Street came to discuss the set up of Evan's Rink. Buy a liner using the natural bowl of the land to fill and it will then be flooded. Neighborhood is looking at this as an investment. Chris brought forward a plan with a budget. He also conducted a survey which would indicate that the rink would be used and maintained.

Field Use Requests:

Correspondence:

Old Business:

Field of Dreams update: Paul said that Baseball would like to host a large tournament in the July but he can't commit until he knows about the field. The loam was delayed arriving so the domino effect came into play and the project is delayed.

Baseball would like to build dugouts on the Alvin Sawyer Field. Do they need any special permits, etc.? Jeff asked if they would accept an Eagle Scout working on this – Paul said yes.

Millstone project – Jon gave an update. David suggested that Tim begin making inquiries to the Federal person in charge of Recreation grants.

Meeting adjourned at: 7:48pm Next meeting January 2011
