Disclaimer

The streets shown on this map are those which physically exist and appear to have general usage.

The adoption of this map, and the map itself, is for representative purposes only; it is not intended, and is not to be construed, as proof of legal existence of the streets shown on the map as public ways, nor as acceptance of any obligation on the part of the Town of Groton to maintain the streets shown on the map.

Street Frontage requirements for the development of property are contained in Section 218-22 of the Groton Code.

Street names adopted by the Town of Groton Board of Selectmen March 7, 2005

Data Sources

Street Centerlines and names were obtained from Mass Highway and updated by Applied Geographics based on information provided by the Town of Groton and its citizens.

Parcel boundaries were created and are maintained by Cartographic Associates.

The MA DEP Zone II and Zone III boundaries were obtained from MassGIS (updated March 2011)
