

It's your town. It's your master plan. Your input is critical!

To all Groton citizens, employees and business owners:

Make your voices heard in the updated Master Plan! Here's your opportunity to tell us what ACTIONS you think the Town should take as part of our update to the Master Plan.

We're providing you with a tool to help inform, engage, and inspire you and your neighbors on issues that matter. It gives you an overview of the Master Plan process, highlights community engagement efforts, and asks YOU for your specific inputs on key elements that will help shape Groton's future.

- **Explore** the Town's progress on updating the Master Plan by navigating through this interactive StoryMap.
- **Read** the Plan's Inventory & Assessment report, Vision & Goal Statements, community engagement efforts, project timeline, and informational maps.
- **Respond** to the embedded survey questions to help us better understand your priorities for ACTION in Groton in each of the key strategic areas.
- **Visit our booth at GrotonFest on September 28** and share your thoughts with us directly!
