PARKING CONFERENCE

Chairman Giger, Member Perkins, Member Burke, and Town Planner Michelle Collette attended a conference on parking sponsored by the Department of Housing and Community Development and the Metropolitan Area Planning Commission on Tuesday, April 8, 2014. The conference, which is available on the MAPC website, featured:

“Donald Shoup, Distinguished Professor of Urban Planning at UCLA, delivered the keynote address. Shoup — author of *The High Cost of Free Parking* and renowned parking guru — outlined the benefits of charging the right price for on-street parking, returning parking revenue to the neighborhood in which it is raised, and removing minimum off-street parking requirements.”
