Discussion of Recycling Committee team at Groton Fest

Visual of bales or recyclables was a great positive at the event as they drew people to our area

Location of our booth was perfect

Banner and handouts were positive

Verbal communication with vendors and letting them know of our recycling effort paid off with big results

Next year we would like to request that ads are placed in both local news papers and add that volunteers are needed to keep this successful

Scout Troops and Cub Scout Packs did a great job all day long, great community support for all

Next year to do items;

Add recycling info to mailing package from Groton Fest organizers

Container monitoring and signage

Schedule for volunteers

Better sorting of plastics at our booth (#1 and #3-#7)etc.

Firemen's Muster
