

Groton Recycling Committee Meeting
Town Hall Small Meeting room, first floor
Thursday, October 13th at 7pm.

Attendees Mike Brady, Tessa David & Jamie King

Meeting was opened at 7:10pm

We unanimously voted to accept the September 8th meeting minutes as written. Mike abstained.

GrotonFest Debrief.

Went well:

Cub Scouts and leaders did well monitoring, collecting, and sorting recycling.

Booth signs buy at TS and cost.

Bails up front attracted attention. Stuffed animals displayed as acceptable in textile bins attached children.

Literature helpful.

Easy Up cover worked well.

Next year:

Label bails with weight & quantify number of cans/items contained in a bail, where recycled, how long to recycled to encourage importance of recycling. By recycling saves the town or trees.
