Agenda

Welcome

Review prior meeting minutes

DEP SMRP Grant - Addressing Unwanted Items (Contamination)

Vote to support research findings

Continue to brainstorm addressing Recycling Myths & unwanted items in recycling & trash. Distributed copies of Recycling Message Steel Cans & Aluminum Beverage Cans are 100% Recyclable. PDF & JPEG copies attached for posting, email distribution and social media and more. Simple messages to get the word out because studies by Recycling Partnership who's contracted by DEP state that many don't understand what is basically recyclable.

Miscellaneous:

Meeting Days, Tuesday, Wednesday or Friday? Please let me know if you didn't attend this meeting.

GrotonFest Date change to Saturday, September 23 rain date 9/24. We discussed conducting demonstrations, live and/or video.

River Festival – Tessa placed and removed Recycling Containers

PAYT bags – Val noted that bag imprint lists old phone number. We discussed 32 gallons size versus 30 pound weight limit based on cost to dispose waste for 32 gallon bag.

Adjourned at 7:45 pm

Next Meeting determined after all poll responses received.
