June 10, 2021 via [Zoom](#)

Attendees: Jamie King, Diana Keaney , Val Prest, Tessa David (recording minutes)

Meeting started: 7:05 pm

Welcome

Review prior meeting minutes. May 6, 2021 minutes approved unanimously as submitted.

Review Transfer Station plastic's #2 sign. Jamie said seems to be doing well. Tessa said Keith said users are doing better sorting. Tabled discussion and will check with Keith on what other signs will be helpful. Jamie wondered if a battery sorting sign would be good? Possibly set up buckets for each type of battery. We will continue to discuss at future meeting. Jamie & Val to meet 6/19 to take pix of batteries and will look at Bay 2 sign. They may take pocket knife and Duct Tape to further secure sign.

Update on approach/drive by sign plans. Val and Tom will meet as time allows.

Update on Recycling Committee Tips in Herald. Tips printed 5/28 in Happenings section as Groton Recycling and not Recycling Tips. We hope Nancy asked to have future heading renamed and not put into Happenings section. It would be more receptive if only a couple tips are presented at a time. Jamie will prep and Nancy & Diana will discuss again approach to publicizing more tips.

Update on Transfer Station and Town wide Food waste collection. No update since BOS meeting which overviewed operation. Grotonfest might be good grand opening and possible host, next date 9/25/21.

Other items to share?

Val can help 7/10/21 for Groton's turn at Regional HHW Collection center.

Grotonfest. We still have more of the pens Val ordered to distribute. Tessa will reserve booth. Diana will ask Black Earth if they want to have and host Recycling Committee booth.

Committee decided to have next meeting August 12 and take summer break in July.

Adjourn motion by Val and seconded by Jamie. Unanimously moved.
