

Groton Recycling Committee Meeting
September 8, 2022
Groton Town Hall

Attendees: Jamie King, Tessa David, Nancy Ohringer, Diana Keaney (recorder)

Welcome 7:15

August 11, 2022 minutes approved unanimously with attachment.

Review of Grotonfest Plans – Schedule of coverage confirmed; free scrap buckets; raffling off 1) One annual Transfer Station sticker 2) Two packages of 10 orange bags 3) One large compost bin. Once on site with BlackEarth we'll ask them about how landscape companies use them.

Update on Recycling Committee Tips in Herald – The youth who was designing the image has had a problem with the design program and will try to figure out what to do. Diana will reach back out with Nancy's suggestion of having the student approach Ms. McCracken for community service via the Environmental Club and potential assistance on a way to finish the design.

Determine Transfer Station battery collection – We'll review at next meeting when we meet at the Transfer Station.

Update on Recycling in Schools – 5th & 6th graders have signed up to be involved with recycling. Dorothy Dwyer willing to once again sign the school up as a "Green Mass DED Team" but not any more involvement. Need to get the environmental club back up and running but Nancy needs other teacher involvement.

Next meeting: October 13, 2022, **5:30** at **Transfer Station**

Adjourn: 8:15
