3/13/25 Recycling Committee Meeting Minutes

7:11pm Meeting Start

Attendees: Tessa, Jamie, Bart

Guest: Bruce from sustainability commission

Tessa inquiring with Bruce regarding Virginia's interest in electric town vehicles

- new electric loader being demoed at transfer station discussed

Prior meeting notes approved unanimously

-did Tom send a letter to the parks department regarding our question from last meeting? (can parks dept require groups to mandate recycling and use of compostable serviceware as a condition of permit for use of Groton fields/facilities?)

-Does the Town of Groton mandate residential recycling?

-floor open for suggestions and general brainstorm of RC focus and projects for 2025

-Update map of Transfer Station, Matt Waterman has offered to update our current map to reflect any changes to TS layout.

-Update videos online explaining Transfer Station (battery recycling, any other changes), Ashley Ducet has offered her assistance with videos.

-Bruce suggests that we contact town IT (Mike) about future meeting times so that doors can be unlocked automatically instead of having to be manually opened.

Meeting adjourns, 8:05pm
