

DRAFT - SBC Meeting 3/18/14

Attending: John Giger, Rena Swezey, Andrew Davis, Cheney Harper, . . .

Review of CPC Final Proposal including Option A One Phase one year, Option B Multi-year phased project.

Improvements in dealing with emergency access would be best met in one Phase Option A.

Ideal time to get everything done in one season.

Motion to accept the CPC application as submitted with additional letters of support as they come in. John made the motion Rena seconded approved unanimously.

Beach Preparation:

Signs to prevent motorized vehicles bigger and more colorful. Welding the gate. Talk to Tom about the docks bringing them out for the season. Issue about putting them in and need signs to clearly mark docks not included in swimming area. Docks are for the boats the swimming area would be separate. Possibly could get two or three of them in there. Swim area buoys will be purchased and put out. Shed needs to be cleaned out.

Parking area needs new signage to clearly mark parking areas. Kiosk in parking area listing additional information.

Main Entrance Sign.

Create list of activities that would be prohibited on the property and sit down with police to find out what kind of regulation they would need from ConsCom to send people off of the property. Sargisson Beach Whiley Rd. no parking however police cannot regulate.

Spring clean up. Gravel is torn up from winter usage. Contact Michelle about the park ranger.

Next meeting Tuesday April 1st.
