Josh motion to approve the rules and regulations for the beach as amended tonight. Approved unanimously.

Links to the website to Superintendent, GLA, PTA, local newspapers, etc.

Email Josh the estimated ship date for the plaque so he can put the installation on his schedule.

Motion to adjourn Josh, approved unanimously. 8:00pm

Additional Info:

Andrew spoke with the Board of Health to talk about tick control on the beach. Andrew found out about a new tick control measure using tick boxes. The boxes can be placed around in order to inoculate chipmunks, mice, etc. that are carriers of the early stage ticks. Can make a big impact on the tick population of the area.

Start PTA notification of reapplying for the mosquito control program next year.

Cheney will share the information about the beach with the superintendent and the PTA!!!

Craft a letter to send out to committees as an invite to the beach dedication ceremony.
