

Nashoba Analytical – Certificate of Analysis for Recreational Water

Lab Sample ID	Beach	Sample Date and Time	Indicator	Result	Adjusted Result	Geomean	Posting Required
2408-00704-001	Groton Town Beach (Sargisson Beach)	2024-08-05 09:50:00	E. Coli	1	1	14.03	No

*Geomean can be unavailable for one of two reasons: 1) the location does not yet have five samples; or 2) this batch included one or more older samples, and the Portal must therefore re-calculate geomeans for the four subsequent samples. These re-calculations are performed every hour, on the hour, so please check back then to see the updated geomeans.
