December 31, 2025

Honorable Select Board Honorable Finance Committee

Pursuant to Section 6-6 of the Town of Groton Charter, I am pleased to present the proposed Five-Year Capital Plan for Fiscal Years 2027 through 2031 for the Town of Groton, Massachusetts. Specifically, the Charter states that the Town Manager shall annually submit a Capital Improvement Plan to the Select Board and Finance Committee not later than December 31st. This Plan is being submitted in compliance with the Charter.

As you know, this Plan allows for careful, critical review of major expenditures, while also giving us the ability to move up or delay expenditures should an imminent need arise. By scheduling expenditures, it allows for a more even distribution of costs, thereby providing greater budget stability. We continue to maintain an AAA Bond Rating and this Capital Plan is a major reason why we have been able to maintain the top rating.

The Select Board has developed and approved a definition of what constitutes a Capital Budget Item. As has been the case in previous years, we are including this language in our proposed Plan this year. Specifically, the definition is as follows:

Capital Budget Items, both tangible and intangible, are defined as future projects, programs, improvements and acquisitions having an estimated useful life of at least three (3) years and an initial cost of at least twenty-five thousand dollars (\$25,000). Examples of Capital Items include but are not limited to land (e.g., open space, parks, athletic fields, cemeteries, etc.); municipal buildings and building improvements (all types); vehicles (all kinds); machinery (all types); equipment (all types, including office); computer hardware and software (all types); communication systems (e.g., two-way radios and systems, digital communications networks, antennas, etc.); and infrastructure (e.g., roads, bridges, dams, water and sewer lines, cisterns and other water holding tanks, etc.)

Honorable Select Board
Honorable Finance Committee
Town of Groton Capital Plan 2027 – 2031
page two

In developing this plan, I worked closely with the Capital Planning Advisory Committee and all Department Heads and attempted to identify capital improvement projects that represented major, non-recurring expenditures and prioritized them. We have balanced the immediate and long-term capital needs of the Town given available resources. I am proposing that the following items from the Capital Plan be funded in FY 2027:

<u>Department</u>	<u>Item</u>	<u>Amount</u>	<u>Funding Source</u>
Planning Board	Complete Streets Program	\$ 30,000	Free Cash
Highway	Dump Truck	\$ 40,000	Free Cash
GDRSD	Annual Regional School District Capital	\$ 250,000	Free Cash
		\$ 250,000	GDRSD Capital Stabilization Fund
Fire and EMS	Portable Radio Replacement	\$ 195,000	Capital Stabilization Fund
Highway	Pick-Up Trucks	\$ 75,000	Capital Stabilization Fund
Highway	Brush Mower/Field Mower	\$ 30,000	Capital Stabilization Fund
Highway	Truck Painting	\$ 25,000	Capital Stabilization Fund
Town Facilities	IT/Infrastructure	\$ 40,000	Capital Stabilization Fund
Town Facilities	Municipal Building Minor Capital	\$ 120,000	Capital Stabilization Fund
Park Department	Property Improvements	\$ 25,000	Capital Stabilization Fund
Police Department	Police Cruisers	\$ 147,010	Capital Stabilization Fund
Police Department	Police Minor Capital	\$ 34,800	Capital Stabilization Fund
Police Department	Electronic Control Device - Taser	\$ 10,500	Capital Stabilization Fund
Country Club	Golf Carts	\$ 27,000	Capital Stabilization Fund
Country Club	Greens Equipment - Ventrac	\$ 10,918	Capital Stabilization Fund
Country Club	Greens Equipment - Truckster XD	\$ 14,736	Capital Stabilization Fund
Country Club	Greens Equipment - Greens Mower	\$ 12,067	Capital Stabilization Fund
Country Club	Greens Equipment - Fairway Mower	\$ 20,000	Capital Stabilization Fund
Country Club	Greens Equipment - Rough Mower	\$ 20,000	Capital Stabilization Fund
Country Club	Irrigation and Course Improvements	\$ 100,000	Capital Stabilization Fund
Country Club	Roof for Pavilion	\$ 14,200	Capital Stabilization Fund
Fire and EMS	Ambulance 2 Replacement	\$ 95,000	Ambulance Fund
Fire and EMS	PFAS Free Structural FF Gear	\$ 50,000	Ambulance Fund
Fire and EMS	Ambulance 1 Replacement	\$ 100,614	Ambulance Fund
Total Requested		\$ 1,736,845	

Honorable Select Board
Honorable Finance Committee
Town of Groton Capital Plan 2027 – 2031
page three

To fund this proposed Capital Plan in FY 2027, I am proposing that the following amounts be appropriated from the following sources:

Funding Sources

Free Cash	\$	320,000
GDRSD Capital Stabilization Fund	\$	250,000
Capital Stabilization Fund	\$	921,231
Ambulance Fund	\$	245,614
Total	\$	1,736,845

I wish to acknowledge and thank the Capital Planning Advisory Committee and all of the Department Heads and Staff for their efforts in producing this document.

I look forward to the opportunity to discuss this proposed plan in more detail.

Sincerely,

Mark W. Haddad
Town Manager

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **AMBULANCE 1**

Department: **FIRE/EMS**

Reason for Need:

Ambulance 1 was replaced in FY 2025. It was determined to pay off the ambulance using State House Notes over five years. The Department should continue to replace ambulances approximately every 3 years.

RECOMMENDED FINANCING

TOWN OF GROTON CAPITAL PLAN -**PROJECT DETAIL SHEET**Project Title: **FORESTRY 4/ENGINE 7 REPLACEMENT**Department: **FIRE/EMS**

Reason for Need: The interface engine replacement is the next step to reduce the overall apparatus profile of the Groton Fire Department. The next two vehicle purchases (interface engine and tanker) will replace Forestry 4, Engine 7 and the tanker, with 2 multi-function vehicles that allow a smaller number of people and vehicles to operate at maximum effectiveness. The concept of reducing the fleet is not new. For the last 10 years, the department has taken opportunities to cut vehicles from the inventory by changing to multi-role apparatus. The multi-role nature allows the department to reduce maintenance, training and insurance needs thus ultimately reducing cost over time.

TOWN OF GROTON CAPITAL PLAN -**PROJECT DETAIL SHEET**Project Title: **PFAS Free Structural FF Gear**Department: **FIRE/EMS**

Reason for Need: PFAS has been used in firefighting gear for a long time due to its ability to withstand high temperatures and repel water and oils. Firefighters have long been known to suffer from a highly increased rate of cancers that are caused by the use of PFAS. These chemicals are shown to contribute or are responsible for cases of breast, kidney, and testicular cancers within the fire service. Effective January 1, 2027, manufacturers and sellers of personal protective equipment for firefighters will be prohibited from knowingly selling gear containing “intentionally-added PFAS” chemicals, meaning PFAS chemicals or products that break down into PFAS chemicals that are intentionally added to the product during manufacturing. Last year, the Town appropriated \$80,000 and in FY 2027, the Town will request \$50,000 to complete the purchase.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **TECHNOLOGY UPGRADE**

Department: **FIRE/EMS**

Reason for Need: Upgrades to various pieces of the station are, and will be, required in FY 28. The alerting system to notify firefighter's of an emergency call is utilizing old, analog, technology that while functional has occasional need to be rebooted. This system was not intended to be a whole building system rather a limited system. The department will also look to upgrade the radio system in the building and the technology that supports training functions. The Fire Department would additionally add a diesel fuel tank at the station in order to fuel the trucks. Currently the larger trucks burn approximately 1 gallon of fuel to make the transit to Cow Pond. This transit sometimes happens multiple times per week, because the current policy is to keep the trucks over ¾ of a tank. The addition of a large fuel tank will also allow the highway department to have another option during weather events to fuel their trucks without transiting far of their routes.

Project Title: **PICK-UP TRUCK**

Department: **HIGHWAY**

E. Furnishings and Equipment: These are scheduled replacements. The average life of a pick-up truck is approximately 7 years. By replacing one vehicle every couple of years, this will allow the fleet to stay in good shape. They are front line pick-ups used for day to day operations as well as snow plowing.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **DUMP TRUCK**

Department: **HIGHWAY**

Reason for Need:

These vehicles will be scheduled replacements of front line trucks responsible for plowing and sanding as well as normal construction duties. In Fiscal Year 2024, the Town appropriated \$185,000 to replace one of our older Dump Trucks. The Town borrowed these funds through a State House Note and will pay it off over five years. Fiscal Year 2026 will be the fourth payment. In FY 2027, another Dump Truck will be replaced.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **TRUCK PAINTING**

Department: **HIGHWAY**

Reason for Need: The plan is to paint truck beds every four years. Salt is the largest issue the DPW deals with in maintaining its fleet. While the DPW washes the trucks after every storm, salt still has a negative impact on the truck beds. Spending the funds to paint the beds will extend the life of the fleet.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **MUNICIPAL BUILDING MINOR CAPITAL**

Department: **TOWN MUNICIPAL FACILITIES**

Reason for Need:

This appropriation will be used to continue to maintain all municipal buildings by performing various maintenance activities to prevent major breakdowns in our municipal building infrastructure. Priorities continue to change when it comes to the minor repairs and upgrades in our municipal buildings. In Fiscal Year 2027, Minor Capital Items have been added to this request as well. This was done due to the fact that all Minor Capital Items were removed from the FY 2026 Operating Budget to balance the budget.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **REPAINT LIBRARY INTERIOR**

Department: **LIBRARY**

Reason for Need:

The Library is grateful for the Town's funding of Phase 1 of our interior re-painting capital project in FY26, but to truly complete the interior revitalization of our 17,417 sq. ft. building will need the final, second year of painting to finish. Phase 2 targets the remaining floors, spaces, trims, ceilings, and staff areas, ensuring the beautiful, updated look achieved in Year 1 is applied consistently across the entire three stories. The Library cannot leave the job half-done; finishing this project is the most fiscally responsible way to protect and maintain the library's interior, finish updating the 26-year-old paint, and deliver the re-freshed, cohesive and welcoming space our residents have come to both enjoy and expect from their library.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **HVAC ROOFTOP UNIT REPLACEMENT**

Department: **LIBRARY**

Reason for Need: The Library's HVAC system is critically aging, with some 1997 components still in use (life expectancy: 10–15 years). This presents a serious service risk (as in Oct. 2013 when both RoofTop Units (RTUs) 5 & 6 failed and left the top floor without heat until Jan. 2014). Replacing in phases will prevent a repeat of that disruption while distributing the financial impact to the Town. Year 1: Replace the 1997 units (split air handler, condenser, & RTU 3) and the 2013 RTUs 5 & 6. Year 2: Replace the remaining 2014 RTUs (1, 2, 4, & 7). A straight 1:1 replacement would deliver considerable energy and cost savings to the Town, but in the upcoming year we will assess / study if it is possible to reduce the size, load, or number of HVAC units before next year's request.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **ELEVATOR MODERNIZATION**

Department: **LIBRARY**

Reason for Need:

The Library is proactively planning for a major capital expense in FY2031: the modernization of the library's elevator. While the current unit is inspected quarterly and is performing well, it will be over 30 years old by 2030. The Town's service provider, Stanley Elevator, confirms that replacement parts are getting harder and harder to find as time passes, meaning a significant breakdown could potentially leave us with a major disruption to service and accessibility. This investment is essential to future-proof accessibility for all patrons, to prevent costly emergency repairs or extended service disruption due to unfixable parts, and to comply with the latest accessibility and safety standards. Addressing this critical infrastructure need ahead of major problems ensures the library remains fully accessible for another generation+ of users.

TOWN OF GROTON CAPITAL PLAN -**PROJECT DETAIL SHEET**Project Title: **COMPLETE STREETS ENGINEERING**Department: **PLANNING BOARD****Reason for Need:**

A Complete Street is one that provides safe and accessible options for all travel modes - walking, biking, transit and vehicles – for people of all ages and abilities. The MassDOT Complete Streets Funding Program provides technical assistance and construction funding to eligible municipalities. Eligible municipalities must pass a Complete Streets Policy and develop a Prioritization Plan. The Town has received three grants thus far. The Town received another Grant in the Fall of 2025. This funding will be used to pay for the necessary engineering to implement the approved projects.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **POLICE CRUISERS**

Department: **POLICE DEPARTMENT**

Reason for Need:

PPurchase of two police cruisers and related equipment for replacement of cruisers that are no longer cost effective to maintain. This allows for lesser mileage per year, better maintenance scheduling, assignment of cars to officers and for a programmed replacement schedule that insures line cars are rotated out at reasonable mileage and wear. Un-marked cars are rotated in the same fashion.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **TASER**

Department: **POLICE DEPARTMENT**

Reason for Need:

Current Electronic Control Device (ECD,Taser) is at end-of-life and not servicable. Axon products provide intergrated data storage for both the ECD and future acquired Body-Worn-Cameras (BWC) . The total cost of the ECD replacement is \$97,796. We applied for and anticipate recieving a JAG grant in the amount of \$50,000. We would be responsible for 1 payment of \$12,500 and 4 annual installments of \$10,500 for a total cost to the town of \$49,000.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **BODY WORN CAMERAS**

Department: **POLICE DEPARTMENT**

Reason for Need: The body worn camera program aims to improve public safety; enhance community-police relations; foster better accountability for the actions of police personnel; deter inappropriate conduct by police officers and members of the public; capture digital audio-video evidence for criminal, civil and traffic- related court cases; and to be used as a training tool for officer safety and best practices. Axon products provide intergrated data storage for both the current ECD (Tasers) the future acquired Body-Worn-Cameras (BWC) . The total cost of the BWC's is estimated \$200,000 paid over five yearly installments fo \$40,000.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **Irrigation System**

Department: **GROTON COUNTRY CLUB**

Reason for Need: The current irrigation system is limited to manual operation to a limited area of the golf course. We believe a new irrigation system would significantly improve the condition of the golf course particularly in dryer seasons. The new system would have greater coverage which would include all fairways, greens and tee boxes. Selected areas of rough that are considered in play would also be included. The new system would also be automated so watering could be accomplished during non-playing hours. In addition to the new irrigation system we would look into a redesign of the greenside area of the 3rd hole to improve playability as well as a drainage system for hole 7. Preliminary estimates for this project would be roughly \$1,400,000. In addition to the new irrigation system the Club will look into a redesign of Holes 1-3 to improve playability as well as drainage system for Hole 7.

TOWN OF GROTON CAPITAL PLAN -

Project Title: **NOD ROAD PUMP STATION**

Department: **GROTON SEWER DEPARTMENT**

Reason for Need:

The Nod Road Pump Station is in need of upgrades to deal with increase capacity issues. Specifically, the proposed redevelopment of the Deluxe Property on Main Street will require improvements to the pump station to deal with the increase capacity needs. ARPA Funds will be used to pay for the upgrade. In FY 28 or later, a complete reconstruction of the pump station and sewer lines to Pepperell will be required. How much and how to pay for it will be studied over the next several years.

TOWN OF GROTON CAPITAL PLAN - PROJECT DETAIL SHEET

Project Title: **GDRSD ANNUAL CAPITAL ASSESSMENT**

Department: **GROTON DUNSTABLE REGIONAL SCHOOL DISTRICT**

Reason for Need

The Groton Dunstable Regional School District Committee has adopted a long-range Capital Plan to address its capital needs. This detailed plan will require a substantial financial contribution from both Groton and Dunstable over the next several years. At the 2017 Fall Town Meeting, a Town held Capital Stabilization Fund for the School District was created. This Stabilization Fund will be used to Fund the Town of Groton's Capital Assessment from the School District.
