TOWN MANAGER REPORTS  
1. Mr. Haddad reported that the Legal budget was being monitored and directed the Board to a breakdown of charges to date. A copy of that breakdown is attached to these minutes. The meeting was held to discuss the space needs of the schools administrative offices as well as the extension of the overlay district to the Prescott School. The school administration is currently housed in the Prescott School. Mr. Haddad noted that the school committee members stated that the school administration required 10-15 thousand square feet in space.

Mr. Degen hoped that the Prescott School RFP would be completed in time for the Spring Town Meeting. Mr. Cunningham asked where the Planning Board was in their process to extend the overlay district to include the Prescott School. Mr. Haddad reported that the Planning Board has started the process. Mr. Dillon noted the Tarbell School was vetted and public input was given. Mr. Dillon thought that there needed to be more public input in regards to the Prescott School and its possible use. Ms. Eliot noted that a public walkthrough and hearing for Prescott was being scheduled. Ms. Fischer, Housing Coordinator, stated that Groton needed to decide what it wanted in regards to the buildings being discussed. Ms. Fischer discussed the percentage communities needed to meet for Affordable Housing. Mr. Haddad stated that a public hearing and walkthrough of the Prescott School would be scheduled prior to drafting the RFP.

**REVIEW FY11 BUDGET**
Mr. Haddad reviewed the possible entry in the GIC and its economic impact. Kathleen LeBlanc, Human Resources Director wrote a report on the GIC program and its potential savings for the Town. Mr. Haddad reviewed the major points with the Board and asked them to review the memo. The report estimated additional saving with the GIC but the GIC requires that employees working 18.75 hours a week are eligible for the plan. Mr. Haddad explained that this requirement would make three additional Groton employees eligible under the GIC plan. Mr. Haddad noted that the plan would need to be negotiated with the unions. Mr. Haddad asked the Board to take the GIC plan under advisement. The Board thanked Mark for the report and asked if there was any information on the towns currently in the GIC. Mr. Degen suggested contacting those towns and asking them relative questions.

Mr. Haddad also explained how the quarterly tax bills are formulated due to recent confusion. Mr. Haddad discussed briefly some consolidations that have occurred with the FY11 budget, such as the telephones. Mr. Haddad explained the reasons for the phone consolidations and by having one phone line item in the budget will be less cumbersome. Phone bills will still be monitored but the calculating of the phone bill will be done more efficiently. Mr. Haddad presented the budget schedule moving forward.
