The Groton Council on Aging Future Planning Committee is preparing for your future. By the 2020 federal census it is estimated the senior population of Groton will be between 25 and 30% of the total town population, as is the estimate for the state. With this growth, the needs of today’s and future senior residents should be addressed; therefore, the Council on Aging Planning Committee is preparing goals for the next three, five and ten years. In your local census you will find an extensive survey (4 pages front and back) that will serve as the foundation for this process. It is the goal of the COA Planning Committee that this comprehensive survey will shed some light on our future needs. We are asking citizens 60 years and older to please complete it and return it with your census. The importance of participation cannot be stressed enough. We really want to understand the needs of our residents. This will make our planning process less challenging and your time in completing it will be well spent. The survey, along with a Utilization Survey completed in October and November and the planned focus groups for January and February will give the Planning Committee, COA staff and Directors facts and figures to make educated decisions and proposals for our future.

Please be part of our future and complete your census survey. You may return it with your census, or you can simply drop it at Town Hall or the Senior Center. Thank you in advance for your participation.

Chinese New Year Celebration 2015:
The Year of the Snake
Wed, February 11  12PM  Cost: $5.00

We will be celebrating with Chinese food for lunch followed by surprise entertainment…… one hint, it’s the year of the snake (and no, it’s not a politician as has been suggested)!

Mission Statement:
The Groton Council on Aging seeks to enrich the lives of Senior Citizens by providing opportunities for learning, leisure, creativity, health and fitness, information and referral, and social services.
AARP Volunteers will be here the following dates to process your tax returns:

**Thursdays, February 5, 12 and 19**

Appointments are currently being accepted and may be made for 8:30am, 9:30am, 10:30am or 11:30am.

An Intake form will be required prior to your appointment, please allow extra time to complete or ask for it when you make your appointment and complete prior to arrival..

**AARP SUGGESTS EVERYONE FILE A RETURN TO PROTECT YOUR ID, EVEN IF YOU HAVEN’T FILED IN A FEW YEARS.**

We have all heard of the **exponential increase in stolen ID’s**. The thieves aren’t after just the wealthy; they will use any person’s social security number to set up fraudulent accounts. The IRS has set up a large section of about 1200 people to handle stolen ID’s. Last year AARP started a new procedure when completing tax returns, filing the federal return regardless of whether it was required. This was done to preclude another person from using the taxpayer’s social security number, and also to check whether someone had already used it to file a fraudulent return. We found two possible stolen local ID’s last year and expect more in the future. We believe it might be useful for people who don’t ordinarily file a return consider making an appointment to complete a federal return for their protection. Doing this might also uncover a few who are eligible for the Massachusetts Senior Circuit Breaker credit (up to $1050 for 2014). We know there are still people who do not know about the credit. We can file for three past years which might give them up to about $4100 total.

If you applied for and received fuel assistance through Community Teamwork and your allotted benefits for 2014-2015 are running out, you may be eligible for **additional fuel assistance**. You must be a Groton senior resident. Please feel free to contact me for more information.

We are working in collaboration with the Florence Roche Elementary School to start a Senior Read Program. Would you like to read to 3rd and 4th graders from on a weekly or monthly basis? These classes tend to read longer books, so you would be reading 1-3 chapters of an on-going book. Each reading takes about 20-25 minutes. After the reading, you can assist the librarian, if you feel comfortable with that. The children love having visitors read to them during their library time!!!

We now have a **COA Mobile Library** Program. If you are temporarily or permanently homebound, we will deliver/return books (and other materials) for you from the Groton Public Library.

If you need **sand for your walkways and/or driveways**, we have sand at the Senior Center for your convenience. Just bring your bucket and help yourself. If you’re unable to leave your home to get sand, please let us know and we’ll deliver a buck of sand to you within a few days.

Please call me if you are interested or have any questions about these programs. I’d love to hear from you!

**News from SHINE February 2015**

**“Help!..My new Part D Plan doesn’t cover all my Medications!!”**

If you have a **new** Medicare Part D plan and have just found out that your new plan does NOT cover a drug you have been taking, you should know about **transition refills**. Transition refills may give you temporary coverage (one-time, 30-day supply) for a drug that is not on your new plan’s formulary OR that has restrictions (prior authorization or step therapy). It is important to understand that a **transition refill is only a temporary solution**. You need to call your doctor right away to talk about switching to a drug your plan does cover OR filing a request with your Part D plan for a “formulary exception” (which may or may not be approved). A **transition refill is not for new prescriptions**. You can only get one if you were already taking the drug before you signed up for the plan. Also, a transition refill does NOT apply to drugs that Medicare doesn’t require Part D plans to cover (like Valium and Ativan). If you are in the **same** plan as last year, you **may** still be able to get a transition refill if your plan removed a drug you had been taking in 2013 from its 2014 formulary, for reasons other than safety. Not all pharmacists know about transition refills. Ask your pharmacist to call your Part D plan for special instructions.

Trained SHINE volunteers can help you! They offer free, unbiased, confidential counseling on all aspects of health insurance to anyone on Medicare. Call Stacey and ask for a SHINE appointment.
