At the COA we often get phone calls from residents looking for help at home; snow plowing, handyman services, electricians, computer assistance, plumbers and the like. We don't maintain a list here of contractors and their services due to liability issues and to avoid any conflicts of interest. It is frustrating to us and to the resident. In hopes to remedy this we've created a referral board that residents can post the name of the contractors they use. We talk with our friends explaining our woes of getting the snow plowed and the friend responds, “I've got a guy!” Well, we want your guy. In essence it's a friend letting another friend in on their “guy”. (Mind you I mean no disrespect to women, I am one after all, it’s just an expression). There is now a white board located at the top of the stairway at the senior center where you can leave the name of your guy or you can come and find a “guy”.

Here are our guidelines for leaving a contractor's name:
1. You must leave your name too. This adds credibility to the referral.
2. For complete transparency please let us know if you are related to the contractor.
3. Contractors cannot post their own information. This again maintains the integrity of the postings.
4. You can call us with the information or stop in see us.

We hope this becomes a reliable avenue to share information and to help our residents. Please let us know how it’s working out.

Kathy

Some Games We Play

Cribbage
Mondays 12:30pm
Cost: none

Visually, cribbage is known for its scoring board, a series of holes on which the score is tallied with pegs but it is a card game for 2-4 players per board. Join us for great play and great conversation! If you don’t know how to play we will teach you.

Mahjong
Tuesdays and Thursdays 1:00pm
Cost: none

Mahjong, is a popular Chinese game played with sets of tiles. Like many popular games, Mahjong has a small infinity of regional variations, from the Chinese prevailing wind system, to the American Mahjong with special bingo-like scoring cards.

Hand & Foot
Tuesday & Thursdays 12:30pm
Cost: none

Hand and Foot is a North American card game related to Canasta, in which each player is dealt two sets of cards - the hand, which is played first, and the foot, which is played when the hand has been used up. There are numerous variations of this game and no standard rules. A quick and easy game to learn, always room for newcomers!
Did you know the Groton Fire Department will:

- Install new Smoke Detectors
- Install new Carbon Monoxide Detectors.
- Put up house number signs, in a visible spot for the police and fire to see in an emergency.
- They will also check existing Smoke Detectors and Carbon Monoxide Detectors to make sure they are in good working condition and they are installed in the correct places in your home.

These services are provided free of charge to Groton Senior Residents!!! If you would like to receive any of these services, please call the COA at 448-1170 or stop in and see us at the Senior Center.

The Community Preservation Act Tax Exemption

If you are a resident with low or moderate income, you may qualify for this exemption. Income qualifications depend upon the number of people in the household. Then it goes by income for persons over 60 and under 60. One person 60 or older must not exceed income of $67,480. One person under 60 must not exceed $53,984. The amount of allowable income increases as the number living in the household increases. The amounts saved yearly depends on how much taxes are paid. The forms can be filled out and returned to the Assessor’s Office on or before April 1.

Rena Swezey, the Town Assessor, will be here to discuss this exemption at the Women’s Club Luncheon on December 16th at 12:30 pm.

NEWS FROM SHINE
DECEMBER 2015
With Medicare Plans, does it matter which pharmacy you use?

For many Medicare plans, the pharmacy you use could make a big difference in the cost of your drugs!

All Medicare drug plans and Medicare Advantage plans (HMOs, PPOs) have network pharmacies. Most pharmacies accept most plans. However, if you go to a pharmacy that is not in your plan’s network, your drugs will not be covered, and you will pay full retail price.

For 2016, 80% of the Medicare drug plans have preferred pharmacies. By using a preferred pharmacy, you can save money! Some plans have changed their preferred pharmacies for next year. You should check that the pharmacy you currently use is the best one to use with your plan.

Most plans have a mail-order program that allows you to get a 90-day supply of your covered prescription drugs sent directly to your home. Mail order sometimes costs less, but using preferred pharmacies may cost less than mail order.

Music Wellness
Collaboration with Indian Hill Music
held at the Groton Senior Center
8 Tuesdays at 1:00pm
January 5—February 23
It's not about inspiring extraordinary music-making, it's about inspiring extraordinary living. Music wellness provides relaxation, self-reflection and community through participation together. The group starts with a brief relaxation and meditation, to calm and focus, followed by a shared music listening experience, we then begin to create artwork which is then shared and analyzed for its themes and understanding of ourselves and each other. There is no prior experience in music or art required by the participants.
  Instructor: Kara Wetzel, Indian Hills Music
