Attention – Voters and Taxpayers
Please bring this Report to Town Meeting

Introduction to Groton Town Meeting

Voters are familiar with casting ballots in local and state elections, but they have another important civic duty in towns, the Town Meeting.

What is Town Meeting?

The Town Meeting is the legislative body in the town form of government in Massachusetts. Town Meeting is a formal gathering of registered voters who propose, debate and vote on measures. Groton holds at least two Town Meetings per year.

What is a warrant?

The warrant is the official notice to voters that a Town Meeting is scheduled. The warrant includes the date, time, location and a description of each subject to be acted on at Town Meeting. In Groton, the warrant must be posted in two public places and mailed to each household 14 days in advance of Town Meeting. "The warrant must contain a sufficient description of what is proposed so as to constitute an adequate warning to all the inhabitants of the town."¹ "Every action taken at the meeting must be pursuant to some article in the warrant and must be within the scope of such article."²

How does Town Meeting proceed?

Voters attending Town Meeting must first check in with the Clerks and receive a voting card which is required to vote. The meeting typically acts on the articles in the order they are printed in the warrant. For each article, a main motion is made and seconded by voters and placed by the Moderator on the floor for debate. Permission of the Moderator is required to speak. The Moderator presides and regulates the proceedings, decides all questions of order, and calls and declares all votes. After debate has ended, the Moderator will call for a vote by a show of voter cards. If the vote is too close to call by sight or if seven voters immediately question the Moderator's declaration of the vote, the Moderator will order a hand count to confirm the vote.

Who can attend?

Town Meeting is open to the public. Only Groton voters are entitled to attend, speak and vote. Non-voters may be required to sit in a separate section. Non-voters may ask the Moderator to speak on the topic of the debate.

How long is town meeting?

Town Meeting concludes when all articles on the warrant have been acted upon. Town Meeting may conclude in one session or adjourn for subsequent sessions.

Pandemic Safety Procedures for Town Meeting

Due to the Delta Variant, the Fall Town Meeting will be held outdoors on the field behind the Florence Roche Elementary School. Voters and non-voters attending the meeting are asked to follow these procedures:

- Attendees should wear masks, even while speaking, and observe social distancing whenever possible.
- Keep at least 6-feet of distance from others while in the voter check-in line.
- Voters should arrive early, check-in, receive a voter card, and proceed directly to a seat.
- A golf cart will be available for anyone who needs assistance moving from the parking lot to the field.
- Single and household-pair seating will be six or more feet apart and should not be moved. Attendees may bring their own chairs.
- Children may accompany parents and are asked to bring a seat for the child. Families with two or more children are asked to provide their own chairs.
- Voters will speak from one of the microphones set up at various locations on the field of the Middle School Track. Please adhere to social distancing when standing in line to speak.
- Voting will be by raised voter card and not by voice.
- Anyone unable to wear a mask may sit in a reserved section with a dedicated microphone.
- There will not be a break for lunch, but Town Meeting attendees are urged to bring a bagged lunch so that the Town Meeting can be completed in one day, if possible.
- At the end of the meeting, voters are asked to observe social distancing while exiting the field.

LOCATION NOTE: The 2021 Fall Town Meeting is scheduled to be held outdoors on the Middle School Track. If it appears that the weekend weather will be unsuitable for an outdoor meeting, the Moderator, after consulting with the Select Board, may decide on October 21st to move the Meeting to the Performing Arts Center if it is considered safe to hold the Meeting indoors. Notice will be published on www.grotonma.gov. Masks will be required at either location.

Rain Date: In the event of circumstance, the Town Meeting will be held the following day, October 24th at 11:30 a.m. If the Town Moderator postpones the meeting, notice will be made on the town website, posted in three public places, and through news and social media.

Please direct questions regarding the meeting procedures to Jason Kauppi, Town Moderator, at moderator@grotonma.gov or call 978-391-4506.

Explanation of a Consent Agenda

A consent agenda is a procedure to group multiple main motions into a single motion for voting. A consent agenda saves time by eliminating the reading of multiple motions and explanations when there are no objections or questions. In Groton, a consent agenda generally consists of articles unanimously supported by the Select Board and Finance Committee. Articles that change by-laws or introduce new spending are typically not included. In this warrant, the Select Board has grouped articles in consent agendas and labeled them for easy reference.

How Consent Agendas Work

As the first step to act on a consent agenda, the Moderator will read the titles of the included articles. A voter who wishes to remove an article from the consent agenda for separate debate and vote should state "hold." The held article will be set aside and acted on after the vote on the consent agenda. After the meeting agrees on the contents of the consent agenda, there will be no debate and the Moderator will immediately call for a vote. Every motion included in the consent agenda will either pass or fail as a group. Voters should read the warrant and review the proposed consent agendas to identify articles they wish to remove for separate consideration.

Summary: *The original proposed FY 2022 Capital Budget had called for the purchase of a new command vehicle for the Fire Department. During last year's Capital Budget cycle, due to the uncertainty of the budget, it was decided to put off this purchase until the Fall and revisit the potential funding for this purchase. Purchasing this new vehicle is important for the command operation of the Fire Department. This will provide both the Fire Chief and Deputy Fire Chief with reliable response vehicles going into the winter season. In addition, this will provide enhanced incident command and control features for both the Fire Chief and Deputy Fire Chief, which is currently only available with the Fire Chief's vehicle. This capability is vital in times when major storms, complex incidents or multiple incidents are occurring simultaneously. The anticipated cost of this vehicle is \$70,000.*

The upgrade version operates on a SQL database (**Structured Query Language** which is basically a language used by databases and allows to handle the information using tables and shows a language to query these tables) and includes an enhanced sketching program and report writing features which will allow the Assessing Department to comply with MA Department of Revenue reporting requirements seamlessly. or take any other action relative thereto.

COMMUNITY PRESERVATION COMMITTEE

Select Board: *Recommended Unanimously*

Finance Committee: *Recommended Unanimously*

Community Preservation Committee: *Recommended Unanimously*

Summary: *When this Article (project) was approved at the 2021 Spring Town Meeting, the final State Reimbursement for Community Preservation Funds had yet to be received. Based on the best estimates at the time, the Community Preservation Committee recommended that of the amount needed to fund this Project (\$230,232), \$50,000 be appropriated through borrowing. Now that the final State Match projections have been provided, there are sufficient funds within the Community Preservation Fund to pay for the project without needing to borrow any funds. AN ACT RELATIVE TO THE CHARTER AND THE TOWN CLERK IN THE TOWN OF GROTON

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same as follows:

The town manager may establish an employment contract with the town clerk for salary, fringe benefits and other conditions of employment, including, but not limited to, severance pay, reimbursement for expenses incurred in the performance of the duties of office, liability insurance and conditions of discipline, termination, dismissal, reappointment, performance standards and leave.

3.2.4 Appointing Authority - The select board shall appoint the town manager, town counsel, a zoning board of appeals and a board of registrars. The select board shall appoint a police chief, fire chief and town clerk consistent with clause (v) of section 4.2; provided, however, that the police chief shall serve under section 97A of chapter 41 of the General Laws and the fire chief shall serve under section 42 of chapter 48 of the General Laws. or to take any other action relative thereto.

TOWN MANAGER

Select Board: *Recommended Unanimously*
Finance Committee: *No Position*

Summary: *Michael Bouchard has served honorably as our Town Clerk since 2008. He was first appointed in January, 2008 to fill a vacancy in office caused by the resignation of Onorina Maloney. He has been (re)elected six times since being appointed (2008, 2009, 2012, 2015, 2018, 2021). In each of these elections, Mr. Bouchard ran unopposed. He recently informed the Town Manager and Select Board that he intends to retire at the end of the year. While he did run unopposed for a new three-year term in May, 2021, he did so to assist the Town through a very important local election (Florence Roche Elementary School Debt Exclusion) and help plan for a transition to a new Town Clerk. That said, his intention to retire gives the Town the unique opportunity to examine the Town Clerk's position in detail and determine if the time is right to change the position from Elected to Appointed. The Town of Harvard took advantage of the elected Town Clerk's retirement to change the position to appointed, and the Town of Middleton is planning on making the change to appointed when the current Town Clerk retires. Since Mr. Bouchard was first appointed in 2008, the Town Clerk's position has changed dramatically. It has become an extremely technical job with many responsibilities that requires experience that is not always available through an election. Specifically, over the last two years, the Commonwealth of Massachusetts has completely overhauled election laws. This overhaul requires Town Clerks to understand and implement constant changes in the law. They are much more technical with more and more regulations and responsibilities. Records retention and management laws have changed over the last decade, as has the Open Meeting Law and Conflict of Interest Law. Town Clerks are now called upon more and more for advice and enforcement of these Laws. In addition, Town Clerks have the responsibility of budget development, customer service to residents, communications to boards and committees, public communications, cash management, staff management and they must be bondable. All of this requires the ability to vet (appraise, verify, and check for suitability, etc.) candidates for the position. An election does not provide for the same vetting process as an appointment provides. The purpose of this Article is to request approval of a Special Act that would change the Groton Town Clerk from an Elected Position to an Appointed Position. The Article also requests the Legislature to adjust the Groton Charter by deleting reference to the elected town clerk (Sections 3.1.1 and 3.9), adjusting the numbering of subsequent sections (i.e., new sections 3.9 and 3.10; new sections 3.9 and 3.10 do not contain any changes to the text), adding appointment language similar to Police Chief and Fire Chief and removing the Town Clerk from the Town Manager Screening Committee (Section 4.5.1).*

ARTICLE 14: EXTEND CENTER SEWER DISTRICT

To see if the Town will vote to extend the “Groton Center Sewer District” as established by the vote of the Special Town Meeting of February 6, 1989, under Article 7, and as shown most recently on the plan approved under Article 8 of the 2015 Fall Town Meeting of October 19, 2015, to include the property shown as Assessors’ Lot 216-102 and further described as the third parcel in a Deed recorded with the Middlesex South District Registry of Deeds in Book 63144, Page 174, and its successors and assigns; provided that all costs of designing, laying, and construction of the extension and any associated connection and the cost of additional capacity and the property owner’s proportionate share of the general benefit facilities, and all other costs associated therewith, are paid by the owner of the property benefited thereby, whether by the assessment of betterments or otherwise, or to take any other action relative thereto.

TOWN MANAGER

Select Board: *Recommended (4 In Favor, 1 Against – Degen)*

Finance Committee: *No Position*

Sewer Commission: *Recommended Unanimously*

Summary: *This parcel abuts the Deluxe Property on Main Street. As part of the proposed redevelopment of that property, this parcel is being acquired by the same company purchasing Deluxe to enhance the overall redevelopment. It is important to have this property as part of the Sewer District for that purpose*

ARTICLE 15: ZONING AMENDMENT – CLARIFICATION, UPDATE, CORRECTION

To see if the Town will vote to amend the Code of the Town of Groton, Chapter 218 Zoning as follows:

1. In Section 218-9.3 Multifamily Use, Subsections 218-9.3. B. (3) and 218-9.3. B. (5), delete the words “**Board of Appeals**” and insert the words “**Planning Board**”.
2. In Section 218-3 Definitions, delete the existing definitions for **Dwelling** and **Dwelling Unit**, and replace with the following:
 - a. Dwelling – A building that contains one or two dwelling units used, intended or designed to be used, rented, leased, let or hired out to be occupied for living purposes.

- b. Dwelling Unit – A single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking and sanitation.

or to take any other action relative thereto.

PLANNING BOARD

Select Board: *Recommendation Deferred Until Town Meeting*

Finance Committee: *No Position*

Planning Board:

Summary: *The proposed amendment corrects an internal inconsistency in the Zoning Bylaw that dates to the adoption of Article 19 at the 2014 Annual Town Meeting. As part of a comprehensive update of the Zoning Bylaws to implement the recommendations of the Comprehensive Master Plan adopted in 2012, the Schedule of Use Regulations was amended. Among the various amendments, the Planning Board was designated as the Special Permit Granting Authority (SPGA) for “Multifamily Uses as allowed by the provisions of Sections 218-27A through 27C” (now Sections 218-9.3 A through C). However, Article 19 failed to update the corresponding language of the cross-referenced Sections A and B, leaving intact the SPGA reference in those subsections as the Zoning Board of Appeals and not the Planning Board as intended in the Schedule of Use amendment. The proposed amendment to Subsections 218-9.3.B.(3) and 218-9.3.B.(5) remedies the regulatory inconsistency by inserting the correct SPGA as intended by the adoption of Article 19 at the 2014 Annual Town Meeting.*

ARTICLE 16: ZONING AMENDMENT – MARIJUANA RETAIL ESTABLISHMENTS

To see if the Town will vote to amend Chapter 218 of the Zoning Bylaw as follows:

To amend Chapter 218 of the Town By-Laws (Zoning By-Laws)

- B. By amending Ch. 218-5.2 "Schedule of Use Regulations" By deleting Line 112 "Marijuana establishments; any other type of licensed marijuana-related business" in its entirety and insert the following:

SELECT BOARD

Select Board: *Recommended Unanimously*

Finance Committee: *No Position*

Planning Board: *No Position*

Summary: *At the November 8, 2016 Presidential State Election, Groton voters voted in favor of Question 4 on the ballot; Legalization, Regulation and Taxation of Marijuana. However, there were concerns over the impact this new and emerging business would have on the town. These concerns were expressed in non-binding referendum questions at the May 20, 2018 Annual Town Election where voters expressed opposition to all but two of the marijuana related activities allowed under state law; marijuana research and marijuana testing laboratories. This sentiment was affirmed again at the October 1, 2018 Special Town Meeting where voters narrowly chose to pass a zoning by-law amendment that opted Groton out of all marijuana related business with the exception of commercial cultivation and marijuana testing and research facilities. As required by state law, this more restrictive by-law required affirmation at a town election which occurred at a Special Town Election on the November 6, 2018 State Election ballot. Since that time, the marijuana business has evolved and there are numerous examples in other communities where they have operated without issue. These communities are realizing the financial benefit of these businesses through the 3% local sales tax on sales as well as community host agreements negotiated with marijuana vendors. The proponents of Groton's decision to opt out acknowledged the decision could be revisited in the future once more was known about the impact of marijuana related businesses on communities. Recognizing this, Article 22 of the 2018 Spring Town Meeting accepted the provision of state law that would allow the collection of a 3% local sales tax on the recreational sale of marijuana, should those sales be allowed in Groton. This article, if approved, would allow a business in Groton to opt into the recreational marijuana business and realize a non-property tax-based form of revenue that has the potential to be significant.*

ARTICLE 17: CITIZENS' PETITION - TRANSFER TAX TITLE LAND

To see if the Town will vote to transfer the title, jurisdiction, custody and control of Parcel 227 – 135 (Groton Assessors Map 227 and Parcel 135) from the Groton Tax Collector to the Groton Select Board for general municipal purposes, and further to authorize the Groton Select Board in turn to transfer such title, jurisdiction, custody and control of said Parcel to the Groton Housing Authority for use as Groton Housing Authority owned and operated housing on such terms deemed advisable by said Select Board, provided, however, that such title, jurisdiction, custody and control of said Parcel so conveyed shall be subject to reversion to the Town of Groton Select Board in the event that the housing use for which the conveyance is being made is not commenced by the Groton Housing Authority within a five year period from the date of conveyance, or to take any other action related thereto.

Summary: **The following summary was prepared by the petitioners and represents their view on the Article:** *This property was originally owned by the North Middlesex Mutual Aid Association and used as a training site for Firefighter training. In 2012, after going unused for many years, the Town took title to it through Tax Title Possession. This article would transfer title to the Groton Housing Authority, whose goal it would be to construct Senior Affordable Rental Housing for Groton Citizens. This transfer will help us to address the needs for affordable housing in Groton and continue our policies and strategies to meet the needs of our Seniors.*

REPORT OF THE TOWN MANAGER TO THE 2021 FALL TOWN MEETING

The 2021 Fall Town Meeting Warrant contains several warrant articles that seek appropriations, some of which will affect the Tax Rate and some of which will have no further impact on taxes. The purpose of this report is to provide the residents and taxpayers with a summary of these articles and what impact they will have on the Fiscal Year 2022 Tax Rate. In preparing for the Fall Town Meeting, the Select Board and Finance Committee reviewed the balances in the various reserve accounts. These accounts will either be used to fund the various articles, or money will be added to them to comply with the Town's Financial Policies. The balances as of August, 2021, are as follows:

Stabilization Fund:	\$2,140,794
Capital Stabilization Fund:	\$ 80,214
GDRSD Capital Stabilization Fund:	\$ 18,136
Unexpended Tax Capacity:	\$ 95,444
Certified Free Cash:	\$2,347,087

The following is a summary of Warrant Articles requesting funding:

Article 1: Unpaid Bills

Requested: \$11,602

There is one unpaid bill owed to Nitsch Engineering for Peer Review services for the Planning Board. The amount of the bill is \$11,602 and funding will come from Free Cash.

Article 2: Amend the FY 2022 Town Operating Budget

Requested: \$311,320

This Article will request the following adjustments in the Operating Budget:

1. Board of Assessors Salaries – When the budget was submitted to the 2021 Spring Town Meeting, the one-time 1.5% cash payment for the Principal Assistant Assessor was inadvertently left out of the budget. The amount needed is \$1,200 and will be funded from Free Cash.
2. Treasurer/Tax Collector Salaries and Wages – When Hannah Moller was promoted to Treasurer-Collector and Mike Hartnett became the Assistant Treasurer-Collector, Mr. Hartnett's pay was placed in the Wage Account instead of the Salary Account. He is not paid hourly, but a weekly salary. Therefore, a transfer of the funds from the Wage Account to the Salary Account (\$43,818) is required. In addition, the Town had agreed to let Mr. Hartnett carry over his accrued vacation to Fiscal Year 2022 so it would not have to be paid out in Fiscal Year 2021. It has been paid to him over the last three months. In addition, similar to the Principal Assistant Assessor issue, the one-time 1.5% cash payment to the Treasurer-Collector was inadvertently left out of the budget. The total amount needed for these two issues is \$9,320 (\$8,045 for Hartnett and \$1,275 for Moller) and will be funded from Free Cash. Finally, there was a calculation error in the Assistant to the Treasurer/Payroll Clerk's Wage Account, including a health insurance opt out. An appropriation of \$5,444 from taxation will be required to cover this shortfall.

3. Zoning Board of Appeals Wages/Park Commission Wages – The Zoning Board of Appeals Administrative Assistant retired at the beginning of the Summer. The Town Manager presented a reorganization plan to the Select Board that would transfer the duties of the ZBA Administrative Assistant to the Land Use Administrative Assistant. To allow for the added duties, the Park Commission Assistant duties were removed from the Land Use Administrative Assistant and a part-time Administrative Assistant was hired to handle Park Commission duties. To address this, \$21,017 will be transferred from the ZBA Wage Account to the Park Commission Wage Account.
4. Highway Department Wages – When the Fiscal Year 2022 Budget was presented to the Finance Committee and Select Board, several positions were eliminated from the Budget due to anticipated reduced revenues due to the impact of the Covid-19 Pandemic. One of the positions eliminated was a Highway Department Heavy Equipment Operator Position. The Town Manager requested that if any funding became available, this would be one of the positions restored. Due to the fact that the Federal Government has provided funding through the Coronavirus Recovery Relief Fund to make up for lost revenues due to the Pandemic, the Select Board has voted to authorize filling this vacancy utilizing these funds. The amount needed in the Wage Account is \$70,000.
5. Veteran's Service Officer Wages – The Town has recently hired a new Veteran's Service Officer (VSO). To assist with the transition, the retiring VSO worked an additional week providing updates and guidance to the new VSO. To fund this, a transfer of \$200 from Free Cash is needed.
6. Library Wages – Similar to the Highway Department, the Library Budget Wage Account was reduced by \$55,000 due to the anticipated loss of revenues caused by the Pandemic. This reduction put the Library Budget below the Municipal Appropriation Requirement for Certification. If a waiver is not granted, the Town would be at risk of losing state funding and the ability to participate in the Merrimack Valley Library Consortium that allows for the sharing of materials with other Libraries in the Region. Due to an increase in New Growth and Motor Vehicle Excise Tax Revenue, the Select Board and Finance Committee voted to restore this funding. The \$55,000 will come from taxation.
7. Health Insurance – Due to changes during Open Enrollment and Qualifying Events, an additional \$35,000 to cover those costs is needed in the Health Insurance Budget and \$20,000 is needed for the restoration of the Highway Department Position (total increase of \$55,000). To fund this, \$35,000 will come from taxation and \$20,000 from the Coronavirus Recovery Relief Funds.
8. Debt Service – Based on the \$8 million bond issue approved for the Florence Roche Elementary School Project, the Town will have an interest payment of \$115,156 due in March, 2022. This amount will be raised through taxation outside the levy limit as excluded debt.

The following is a summary of funds proposed for this Article:

Free Cash:	\$ 10,720
Unexpended Tax Capacity:	\$ 90,352
Excluded Debt Tax Revenue:	\$115,156
Coronavirus Recovery Relief Funds:	<u>\$ 90,000</u>
Total Requested:	\$306,228

Article 3: Transfer - Water Enterprise Fund

Requested: \$150,000

The Water Department will need to transfer \$150,000 out of its excess and deficiency fund to cover additional expenses in Fiscal Year 2022. Specifically, \$95,000 is to cover wages and benefits for the new Water Department employee and for another employee who has worked out of class. \$30,000 is for their Manganese Line Item in the Budget for GELD to purchase and install new power poles and a transformer for the new treatment plant. Finally, \$25,000 is for the Whitney Well #3 Building/Shed (Nashoba Tech is constructing the building and the Department is purchasing the materials and doing some minor sitework).

Article 4: Transfer – Capital Stabilization Fund

Requested: \$600,000

The current balance in this fund is \$80,214. The anticipated Capital Plan for Fiscal Year 2023 is approximately \$600,000. The Town's Financial Policies call for a balance in this Fund of 1.5% of the Operating Budget. If all the transfers and appropriations are approved under Article 2 of this Warrant, the total Fiscal Year Operating Budget will be \$42,588,159. This would require a Capital Stabilization Fund Balance of \$638,822. This Article will request a Transfer of \$600,000 from Free Cash to be added to the Capital Stabilization Fund.

Article 5: Transfer - Stabilization Fund

Requested: \$0

The current balance in the Stabilization Fund is \$2,140,794. The Town's Financial Policies state that this Fund should have a balance of five (5%) percent of our Operating Budget (\$42,588,159). This would require a balance of \$2,129,408. As of the writing of this report, the Town would not need to add to the fund, however, a decision to add funding may be made prior to Town Meeting. This will be addressed, if necessary, at Town Meeting.

Article 6: Transfer - GDRSD Capital Stabilization Fund

Requested: \$560,000

The current balance in the GDRSD Capital Stabilization Fund is \$18,136. The FY 2023 Capital Plan for the District is \$553,411. This Article will request a Transfer of \$560,000 from Free Cash to be added to the GDRSD Capital Stabilization Fund.

Article 7: Capital Purchase – Fire Chief’s Vehicle**Requested: \$70,000**

From the Summary in the Warrant: The original proposed FY 2022 Capital Budget had called for the purchase of a new command vehicle for the Fire Department. During last year’s Capital Budget cycle, due to the uncertainty of the budget, it was decided to put off this purchase until the Fall and revisit the potential funding for this purchase. Purchasing this new vehicle is important for the command operation of the Fire Department. This will provide both the Fire Chief and Deputy Fire Chief with reliable response vehicles going into the winter season. In addition, this will provide enhanced incident command and control features for both the Fire Chief and Deputy Fire Chief, which is currently only available with the Fire Chief’s vehicle. This capability is vital in times where major storms, complex incidents or multiple incidents are occurring simultaneously. The anticipated cost of this vehicle is \$70,000. Funding for this Article will come from Free Cash.

Article 8: Assessing Software**Requested: \$35,000**

From the Summary in the Warrant: The Assessing Department is currently using Vision 6.5 for the valuation of all Real Property in the Town of Groton. Vision Government Solutions (VGSI) released Vision 8.0 in 2017. The upgrade version operates on a SQL database (**Structured Query Language** which is basically a language used by databases and allows to handle the information using tables and shows a language to query these tables) and includes an enhanced sketching program and report writing features which will allow the Assessing Department to comply with MA Department of Revenue reporting requirements seamlessly. Vision 6.5 operates on an Oracle database that is no longer supported by Oracle. As VGSI sunsets Vision 6.5, support will no longer be available. The anticipated cost of this upgrade is \$35,000. Funding for this Article will come from Free Cash.

Article 9: Community Preservation Funding Accounts

From the Summary in the Warrant: This is an accounting procedure that is necessary to ensure the Community Preservation Committee will have access to the funds raised during Fiscal Year 2022. The 2021 Spring Town Meeting used estimates to fund these accounts. The Final Accounting is complete and all State reimbursements have been received. This Article updates the subaccounts that were approved at the Spring Town Meeting.

Article 10: Amend Article 14, Motion 8 of the 2021 Spring Town Meeting

From the Summary in the Warrant: When this Article (project) was approved at the 2021 Spring Town Meeting, the final State Reimbursement for Community Preservation Funds had yet to be received. Based on the best estimates at the time, the Community Preservation Committee recommended that of the amount needed to fund this Project (\$230,232), \$50,000 be appropriated through borrowing. Now that the final State Match projections have been provided, there are sufficient funds within the Community Preservation Fund to pay for the project without needing to borrow any funds. The purpose of this Article is to rescind the original appropriation that required borrowing and utilize only currently available Community Preservation Funds for this Project.

Article 11: Whitney Pond Well Construction**Requested: \$700,000**

This Article will authorize the Water Commission to borrow \$700,000 for the construction of a new well at the Whitney Pond Well Site. This is an important new Water Source for the operation of the Groton Water Department and has been in the Capital Plan for the past several years. Payment of the debt service on the \$700,000 loan will come from Water Rates.

Article 12: Water Treatment Facility Construction**Requested: \$10,082,000**

The Town of Groton and the Groton Water Department are under a Consent Order from the Department of Environmental Protection (DEP) to address elevated levels of manganese in the Town's Water Supply. To address this issue, a new Water Treatment Plant must be constructed. The purpose of this Article is to authorize the Water Commission to borrow the funds necessary to construct the new Treatment Plant. The Water Commission is planning on going out to bid on this project next February. This appropriation will allow them to bid the project and start construction immediately to comply with the schedule approved by the DEP. Payment of the debt service on this loan will come from Water Rates.

Should Town Meeting agree with these appropriations, \$1,287,322 will come from the Town's Free Cash Account, leaving a balance of \$1,059,765. For the line items that are reoccurring and will be funded through taxation, the Town will use all of its unexpended tax capacity and be right at the anticipated Levy Limit for Fiscal Year 2023. The estimated tax rate at the Spring Town Meeting was \$18.09. Based on the proposed changes at the Fall Town Meeting and the increase in the excluded debt budget, the anticipated tax rate is \$18.15. The following chart is a breakdown of the anticipated rate:

	<u>Actual</u> <u>FY 2021</u>	<u>Proposed</u> <u>FY 2022</u>	<u>Dollar</u> <u>Change</u>	<u>Percent</u> <u>Change</u>

*The FY 2022 Levy Limit includes FY 2021 unexpended tax capacity of \$280,997 and \$15.8 million in New Growth.

From the *Groton Town Meeting Procedures* booklet:

Amendments

If a voter wished to change a motion in some fashion, the procedure is to amend the motion. All motions to amend must be in writing and must state exactly how the voter wishes to change the motion so that the Moderator can know exactly what it is the voter wants to do before ruling on the motion or putting it to a vote. A voter who wishes to amend a *main motion* must have the amendment in writing and available to hand to the Moderator *before* rising to offer the amendment. The Moderator may refuse to put to the Meeting an amendment which is not immediately available in writing – the Moderator also will rule out of order an motion to amend which changes the original motion so drastically that, in the Moderator’s opinion, the motion is no longer within the “four corners” of the article.

An amendment may consist of adding, deleting, or substituting words in the motion. It may take the form of a “motion to substitute”: a different motion. Sometimes a speaker tries to amend “the article,” but this is improper language. It is the motion on the floor, not the article on the Warrant, that is to be amended.

A motion to amend requires only a majority vote, even though the motion to be amended may require two-thirds or more for final passage.

General Information:

- ☐ An amendment may be made to modify either the main motion already on the floor or another amendment that has been previously moved.
- ☐ All motions to amend must be presented to the Moderator in writing.
- ☐ All amendment must keep the amended motion within the general scope of the originally posted warrant article. This is referred to as “within the four corners” of the article.
- ☐ Town counsel may be asked to review an amendment and present an opinion on the legality of the amendment prior to being accepted by the Moderator for consideration by town meeting.
- ☐ Amendments should (if possible) be carefully written and reviewed prior to town meeting.
- ☐ **It is strongly recommended that the Moderator be made aware of the intention to present an amendment well before the start of Town Meeting or as soon as possible within Town Meeting.**
