The Committee discussed progress of the Farmers Market to date and all agree things are going well

The Committee discussed the need for Committee members to be willing to attend and manage the Farmers Market on the Fridays that the Market runs

There was discussion on the collection of vendor fees: will the vendors come to the Williams Barn/Farmers Market table to make payments? Will the Committee continue to visit each vendor for payment? It was agreed to continue going to each vendor for collection as many vendors need to man their tables

It was agreed that Sally Smith will return to the Market with her wonderful flowers eggs, and jellies

It was agreed to compensate Uwe Tobies and Jock Snaith for their time and sharing their crafts with the 3rd Grade Field trip.

Lili Ott has offered to advertise and help organize a celebration of the Groton Farmers Market 10th year celebration – Joe Twomey suggested that we plan our celebration around the many children who attend the Market

Next meeting: September 5, 2013 changed to September 20, 2013
