MEMORANDUM

DATE: September 6, 2023
TO: Zoning Board of Appeals
FROM: ADA Coordinator Michelle Collette
RE: Groton Farms Comprehensive Permit

At its meeting on September 5, 2023, the Commission on Accessibility met with John Amaral to discuss concerns about trash removal for people with disabilities at the proposed Groton Farms development at 500 Main Street.

The Commission is confident that the applicant, future owners and property management staff, have the experience and expertise to assist residents with disabilities with trash removal and similar matters. The Commission voted unanimously to recommend that the Zoning Board of Appeals include the following condition in the Comprehensive Permit:

“As offered by the applicant, the applicant, future owners and property managers, shall provide reasonable accommodations, if requested, to assist any resident with disabilities with trash removal or other challenges they may face utilizing the services at Groton Farms.”
