Members Present: Stuart Schulman, Robert Cadle, Mark Mulligan, Shaun Sullivan

The Chairman convened the Verdant Arch hearing by reading the Legal Notice.

The applicant opted to continue with a four-member board.

The application is for a temporary construction trailer, which will not be seen from the road, and will be removed in six months. He said that there will be a port-a-potty but no permanent plumbing.

The Board moved and seconded to grant a temporary permit for a construction trailer for one year and with the requirement that a \$1500.00 bond be posted with the Town Treasurer.

The motion passed unanimously.

The meeting adjourned at 8:45 pm.
